INVITATION FOR CONFERENCE

DEAR COLLEAGUES,

You're cordially invited to join us at the "**3rd Global Summit on Physiology and Metabolism of Thyroid**" set to take place on **September 09-10 2024** in the beautiful city of **Paris, France**. This year's theme is "Exploring New Prospects in Thyroid," promising a comprehensive exploration of all facets of Thyroid, Endocrinology, and Diabetes. Engage with esteemed speakers from across the globe, share experiences, and keep abreast of the latest breakthroughs in the field. Whether you're a researcher, practitioner, or enthusiast, your contribution to this collaborative platform is invaluable. Thyroid 2024 summit serves as a nexus for leading experts to delve into cutting-edge research, fostering collaboration with international business delegates and scholars. Don't miss this opportunity to deepen your understanding of the causes and management of these pivotal health concerns. Join us and be part of the journey towards advancement and innovation in Thyroid, Endocrinology, and Diabetes.

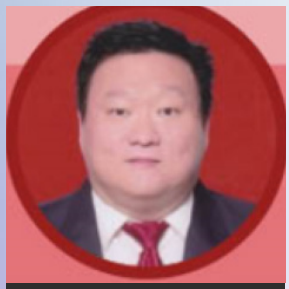

What's in store for 2024?

- Thyroid Hormones and Health
- Thyroid and Reproductive Health
- Thyroid Cancer
- Thyroid Surgery and Postsurgical Care
- Hyperthyroidism
- Thyroid Imaging Techniques
- Hyperthyroidism
- Complementary and Alternative Medicine in Thyroid Disease (CAM)
- Thyroid and Metabolism
- Thyroid antibodies
- Thyroid Physiology

Closing Ceremony

Venue & Accommodation

Paris, France

Paris, France

Paris, the capital of France, is a city of unparalleled charm and cultural significance. Nestled along the banks of the Seine River, this iconic metropolis is renowned for its timeless beauty, from the awe-inspiring Eiffel Tower to the world-class art treasures housed in the Louvre Museum. Paris is a haven for fashion enthusiasts, with its haute couture boutiques and trendsetting designers, and it boasts a gastronomic scene that tantalizes the taste buds with exquisite cuisine and fine wines. Paris is a global center for art, literature, and intellectual discourse, drawing creatives and scholars from around the world. Paris, often referred to as the "City of Light," is an enchanting metropolis that stands as a symbol of culture, art, and history. Paris is a testament to the fusion of the old and the new, where cobblestone streets wind their way through neighborhoods that have witnessed centuries of history, while sleek modern buildings rise to meet the sky in bustling business districts.

Paris is also a city of ideas, a place where intellectuals, writers, and philosophers have gathered for centuries to engage in spirited debates. The Sorbonne University, with its rich academic tradition, continues to foster intellectual discourse.
