## About Chicago

The City of Chicago is above sea level on the southwestern shore of Lake Michigan. Chicago is traversed by the Calumet rivers. Chicago's parklands, 3,000 hectares of city parks attract an estimated 86 million visitors annually.The city flourishes on the diversity of its neighborhoods, today represents the morals of America's heartland-integrity, effort and replicates the ideals

Chicago is known as a very passionate sports town. Chicago is a leader in revolutionizing schools, attractive community security initiatives, providing reasonable covering in attractive and economically sound societies, guaranteeing convenience for all and fostering, social, economic and environmental sustainability. Chicago is famous for its adventure as well two of its finest zoos in the country are situated in the Chicago area and both are highly suggested. First, on the city's north side is Lincoln Park Zoo. This zoo is open every day of the year. While it is one of the eldest zoos in the country also it is one of the most modern as well. Brookfield Zoo, located in Brookfield, Illinois situated in beautifully landscaped grounds, featuring more than 2,000 animals.Visiting Chicago is such a delightful experience, and there's always approximately exciting going on. Many of the extraordinary occasions are held in the summer.
