Invitation

OMICS Group welcomes you to attend the ***International Conference on Transcriptomics*** *during* ***July 27-29, 2015*** *at* ***Orlando, USA.***

We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Transcriptome Analysis and Next Generation Sequencing Technologies.

Transcriptomics-2015 anticipates more than 300 participants around the globe with thought provoking Keynote lectures, Oral and Poster presentations. The attending delegates include Editorial Board Members of related OMICS Group Journals.

This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists.

The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer.

*The main theme of the conference is "****Transcriptomics analysis: Unveiling the layers of Expressions****".*

Regards,
Transcriptomics-2015 Operating Committee

About Us

OMICS Group Journals

- 350 Open Access Journals
- 21 Day rapid review process
- 30000 Editorial team, 27000 Reviewers team
- 3.5 Million readers and high visibility
- More than 100000 facebook fans
- Publication immediately after acceptance
- Quality and quick editorial, review processing

Key features

- User friendly/feasible website translation of your paper to 50 world's leading languages
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

OMICS Group Conferences

- 300 Conferences all over the World every year
- Well organized scientific program
- Renowned speakers and scientists across the globe
- Poster presentations and world class exhibits
- Panel discussions and interactive sessions
- B2B meetings
- Perfect platform for Global Networking

Key features

- Presentation by renowned speakers from all over the world
- Poster presentations and world class exhibits
- Interactive Sessions
- Platform for global networking
- Connecting scientific community

Special Issues

All accepted abstracts will be published in respective OMICS Group Journals

Each abstract will be provided with digital Object Identifier by crossref

The field of Transcriptomics is growing rapidly and its development is making tremendous impacts in medical sciences and therapeutics. The importance and significance can be gauged by the fact that it has made huge advancements over the course of time and is continuing to influence various sectors.

Transcriptomics-2015

- *Opportunity to attend the presentations delivered by eminent scientists from all over the world*
- *Selected contributions will be published in following OMICS Group Journals*
    - *Transcriptomics: Open Access*
    - *Journal of Proteomics & Bioinformatics*
    - *International Journal of Genomic Medicine*
    - *Journal of Molecular & Genetic Medicine.*
    - *Journal of Advances in Genetic Engineering and Biotechnology*
- *Participation in sessions on specific topics on which the conference is expected to achieve progress*
- *Global networking: In transferring and exchanging Ideas*
- *Conference brings together Scientific Researchers, Medical Surgeons and Physicians*

About Orlando

Orlando is a major city in the U.S. state of Florida. Located in Central Florida, it is the county seat of Orange County and the center of the Greater Orlando metropolitan area. Orlando is the fifth largest city in Florida, and the state's largest inland city.

Orlando is nicknamed "The City Beautiful" and its symbol is the fountain at Lake Eola. Orlando is also known as "The Theme Park Capital of the World" and its tourist attractions draw more than 51 million tourists a year, including 3.6 million international guests. The Orlando International Airport (MCO) is the thirteenth busiest airport in the United States and the 29th busiest in the world.

Orlando's famous attractions form the backbone of its tourism industry: Walt Disney World Resort, in Lake Buena Vista, opened by the Walt Disney Company in 1971; the Universal Orlando Resort, which consists of the two parks of Universal Studios Florida and Islands of Adventure; City Walk; SeaWorld; Gatorland; and Wet 'n Wild Water Park. With the exception of Walt Disney World, most major attractions are located along International Drive. The city is also one of the busiest American cities for conferences and conventions.

Orlando is home to the University of Central Florida, which is the second-largest university campus in the United States in terms of enrollment as of 2012. In 2010, Orlando was listed as a "Gamma−" level of world-city in the World Cities Study Group's inventory.

Florida culture in the city is a reflection of influences and multiple inheritance; Native American, European American, Hispanic and African American heritages can be found in the architecture and cuisine. Florida has attracted many writers such as Marjorie Kinnan Rawlings, Ernest Hemingway and Tennessee Williams, and continues to attract celebrities and athletes. It is internationally known for golf, tennis, auto racing, and water sports.

About Us

Important Dates

Abstract submission opens: August 01, 2014
Registration opens: August 01, 2014
Early bird registration: April 15, 2015
On spot registration: July 27, 2015

Venue

Hyatt Regency Orlando International Airport
9300 Jeff Fuqua Blvd
Orlando, Florida, USA, 32827
Tel: +1 407 825 1234
Fax: +1 407 856 1672, Orlando, USA
