Initial Announcement

International Conference on Transcriptomics

Orlando, USA July 27-29, 2015

Dear Colleagues,

OMICS Group is delighted to welcome you to Orlando, USA for the prestigious **International Conference on Transcriptomics**. Transcriptomics-2015 will focus on "***Transcriptomics analysis: Unveiling the layers of Expressions***". We are confident that you will enjoy the Scientific Program of this upcoming Conference.

We look forward to see you at Orlando, USA .

With Regards,
Transcriptomics-2015 Operating Committee
OMICS Group Conferences

Editorial Board Members of Supporting Journals:

Marcelo Bento Soares
Northwestern University, USA

Wei Hsu
University of Rochester, USA

Austin J Cooney
Baylor College of Medicine, USA

Cassandra Smith
Boston University, USA

Simon Daefler
Mount Sinai School of Medicine, USA

Jiaxu Li
Mississippi State University, USA

David (Da Wei) Huang
National Institutes of Health, USA

Rais Ansari
Nova Southeastern University, USA

Henry T Nguyrn
University of Missouri, USA

Alan J Tacket
University of Arkansas for Medical Sciences, USA

Peter Nilsson
KTH - Royal Institute of Technology, Sweden

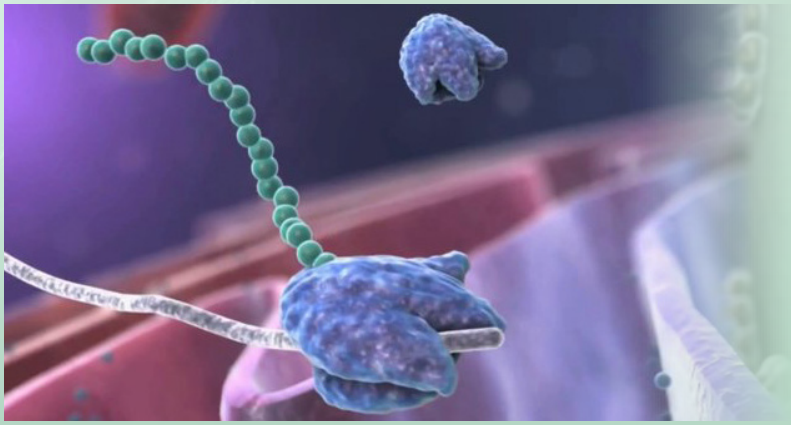

Sandra Orchard
Wellcome Trust Genome Campus, UK

Wen G. Jiang
Cardiff University, UK

Paul J. Higgins
Albany Medical College, USA

Masayoshi Yamaguchi
Emory University, USA

Program Announcement

Venue

Hyatt Regency Orlando International Airport
9300 Jeff Fuqua Blvd
Orlando, Florida, USA, 32827
Tel: +1 407 825 1234
Fax: +1 407 856 1672, Orlando, USA

Important Dates

Abstract submission opens: August 01, 2014
Registration opens: August 01, 2014
Early bird registration: December 13, 2014
On spot registration: July 27, 2015

Accommodation

A large number of rooms have been reserved. Discounted room rates for Transcriptomics-2015 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Transcriptomics and Infectious Diseases.

About Florida

Orlando is a major city in the U.S. state of Florida. Located in Central Florida, it is the county seat of Orange County and the center of the Greater Orlando metropolitan area. Orlando is the fifth largest city in Florida, and the state's largest inland city.

Orlando is nicknamed "The City Beautiful" and its symbol is the fountain at Lake Eola. Orlando is also known as "The Theme Park Capital of the World" and its tourist attractions draw more than 51 million tourists a year, including 3.6 million international guests. The Orlando International Airport (MCO) is the thirteenth busiest airport in the United States and the 29th busiest in the world.

Orlando's famous attractions form the backbone of its tourism industry: Walt Disney World Resort, in Lake Buena Vista, opened by the Walt Disney Company in 1971; the Universal Orlando Resort, which consists of the two parks of Universal Studios Florida and Islands of Adventure; City Walk; SeaWorld; Gatorland; and Wet 'n Wild Water Park. With the exception of Walt Disney World, most major attractions are located along International Drive. The city is also one of the busiest American cities for conferences and conventions.

Orlando is home to the University of Central Florida, which is the second-largest university campus in the United States in terms of enrollment as of 2012. In 2010, Orlando was listed as a "Gamma−" level of world-city in the World Cities Study Group's inventory.
