Dear Attendees,

Conference series is delighted to welcome you to Paris, France for the Prestigious 4th Annual Congress and Medicare Expo on Trauma & Critical Care.

The conference will focus on " Advanced Traumatic & Emergency Care". We are confident that you will enjoy the scientific program of this upcoming conference.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Trauma & Critical Care Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Paris this February

Sincerely,
Trauma 2018
Organizing Committee

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook fans Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be
published inrespective Conference Series LLC Journals
Each abstract will be provided with digital Object Identifier by Crossref

About Conference

The fundamental subject of Trauma and Critical Care-2018 is “Exploring Latest Innovations and Advances in Traumatic & Emergency care ”. . This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Trauma2018 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world’s scientific experts to catalyze and advance scientific knowledge about Trauma & Critical Care present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

B2B Meetings

Trauma 2018

Objectives

- After participating in this meeting, attendees should be able to
- Discuss emerging issues in Trauma & Critical Care
- Discuss and apply recent research findings related to Trauma & Critical Care
- Reflect on the place of critical distance in Trauma & Critical Care

Who should attend

Directors, CEO's of Organizations Association, Association presidents and professionals PhD Scholars Noble laureates in Health Care and Medicine Professors, Associate Professors and Assistant Professors Graduates and Post Graduates Research Institutes and member

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

MajorSessions

- Elderly Trauma and Critical Care
- Pediatric Trauma
- Obstetric Trauma
- Critical Care in Trauma
- Psychological Trauma and critical care
- Blunt trauma
- Intensive Care in Trauma

About Paris

About Paris: is the most populous and capital city of France. Its 19th-century cityscape is crisscrossed by wide boulevards and the River Seine. The name "Paris" is derived from its early inhabitants, the Celtic Parisii tribe. The city is both the center and headquarters, which has an area of 12,012 square kilometers (4,638 square miles) and a population in 2016 of 12,142,802, comprising roughly 18% of the population of France. After London, it is the second largest metropolitan area in the European Union. The central area of the city along the Seine River is classified as a UNESCO Heritage Site and includes many notable monuments. A major Business hub in Europe. It has the highest GDP 30.9% of the French nation's GDP and 4.6% of the European Union's GDP, ahead of Greater London and Lombardy. All major European cities are within 2 hours by plane. Paris is ranked 1 in the world in welcoming visitors and world-class business meetings. It also leads Europe in available surface for trade exhibitions.

Tourist Attraction:
As the capital city of France, Paris has endured as an important city for more than 2,000 years. Often called by nicknames like the "city of love" and "city of lights". Just the mere mention of Paris conjures up images of the city's world famous art, landmarks, museums and cathedrals. Eiffel tower is the city's top most photographed and world famous cultural attraction. The other top cultural attractions in Paris are Louvre Museum, Notre Dame, Arc de Triomphe, Sainte-Chapelle, Palace of Versailles and so on. Paris received 22.2 million visitors, making it one of the world's top tourist destinations.

Climate: Paris has a typical Western European oceanic climate which is affected by the North Atlantic Current. The overall climate throughout the year is mild and moderately wet. Summer days are usually warm and pleasant with average temperatures between 15 and 25 °C (59 and 77 °F), and a fair amount of sunshine.

Sports:
Paris's most popular sport clubs are for football, rugby union and track and field athletics. It hosted the Olympics two times: 1900 and 1924. The Stade de France (in St. Denis) is a large venue where the national rugby and football teams play games. The national rugby team plays their Six Nations games at the stadium during February and March. The final stage of the most famous bicycle racing in the world, Tour de France, always finishes in Paris.
