Neglected Tropical Diseases Congress: The Future Challenges

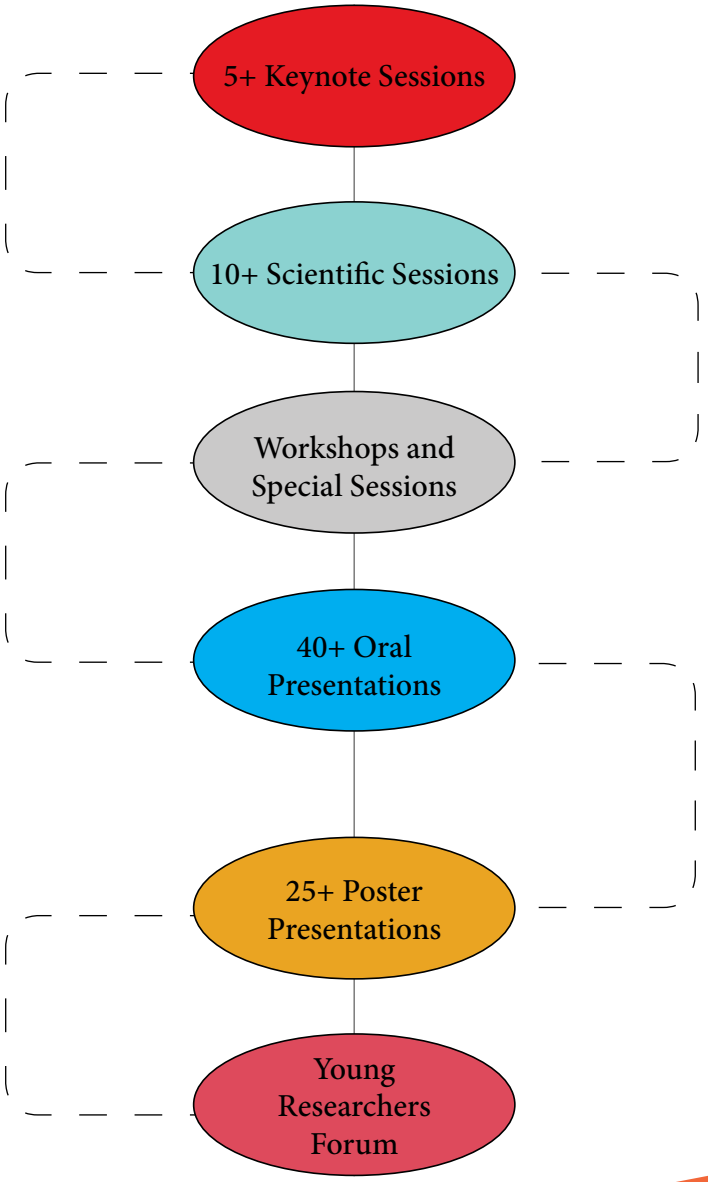

October 15-17, 2018 | Abu Dhabi, UAE

our DELEGATE is your CLIENT

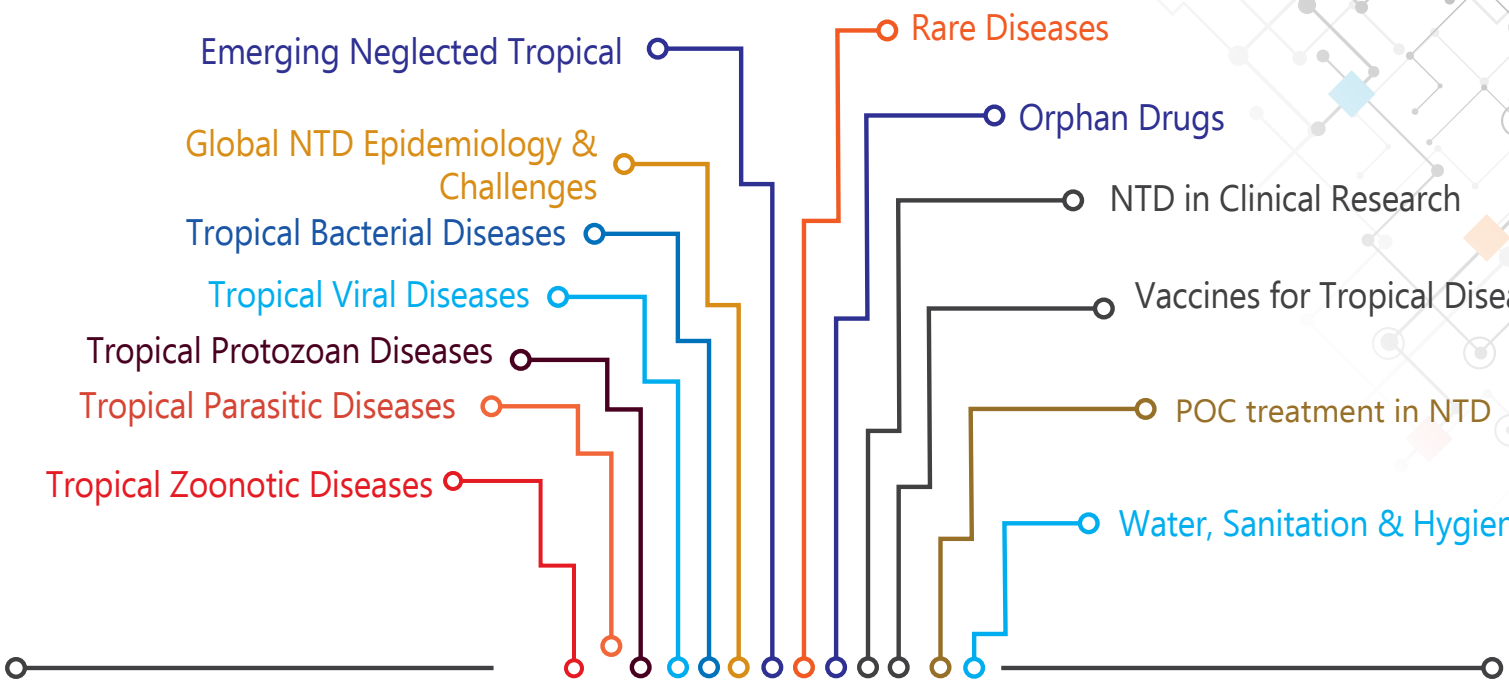

Our Programme

Our programme aims to explore the recent inventions and their applications by creating a fine platform for all the professionals and leaders like professors, researchers, pathologists, microbiologists & other pharmaceutical company representatives to reach the ultimate goals to control and halt emerging tropical diseases and deal with anti-microbial resistances.

We encourage the discussions through networking, presentations, workshops, symposia and debates between the experts, young researchers and industrial representatives.

Venue & Hospitality

Abu Dhabi is the capital and the second most crowded city of the United Arab Emirates .Additionally the capital of the Emirate of Abu Dhabi, the largest of the UAE's seven Emirates. Abu Dhabi lies on a T- formed island extending into the Persian Gulf from the central western coast.

Abu Dhabi's fast advancement and urbanization, coupled with the relatively high average salary of its populace, has changed the city into an expansive and progressed city .Nowadays the city is the country's centre of political and industrial activities and a major social and commercial centre, due to its position as a capital. Abu Dhabi accounts for around two-thirds of the generally $400 billion United Middle easterner Emirates economy.
