About Abu Dhabi

Abu Dhabi is the capital and the second most crowded city of the United Arab Emirates. Additionally the capital of the Emirate of Abu Dhabi, the largest of the UAE's seven Emirates. Abu Dhabi lies on a T- formed island extending into the Persian Gulf from the central western coast.

Abu Dhabi's fast advancement and urbanization, coupled with the relatively high average salary of its populace, has changed the city into an expansive and progressed city .Nowadays the city is the country's centre of political and industrial activities and a major social and commercial centre, due to its position as a capital. Abu Dhabi accounts for around two-thirds of the generally $400 billion United Middle easterner Emirates economy.
