Tourist Attractions
Dubai, UAE

Dubai, UAE

Dubai is the capital and the second most crowded city of the United Arab Emirates Additionally the capital of the Emirate of Dubai, the largest of the UAE's seven Emirates. Dubai lies on a T- formed island extending into the Persian Gulf from the central western coast.

Dubai's fast advancement and urbanization, coupled with the relatively high average salary of its populace, has changed the city into an expansive and progressed city .Nowadays the city is the country's centre of political and industrial activities and a major social and commercial centre, due to its position as a capital. Dubai accounts for around two-thirds of the generally $400 billion United Middle easterner Emirates economy.
