3rd International Conference on

Tumor & Cancer Immunology and Immunotherapy

September 17-18, 2018 San Diego, California, USA

Program @ Glance

Day 1 - September 17, 2018

Opening Ceremony

Honorable Guests Speech

Keynote Forum

Panel Discussion

Group Photo

Coffee Break

Workshops/Special sessions

Speaker Forum

Track 1: Tumors

Track 2: Brain tumors

Track 3: Tumor Immunology

Track 4: Tumor Immunotherapy Research

Track 5: cancer Immunology and Immunotherapy

Lunch Break

Speaker Forum (Cont...)

Track 6: Types of cancer

Track 7: Cancer Research and Cancer Vaccines

Track 8: Antibody Therapy Of Cancer

Track 9: Combining Cancer Immunotherapies

Track 10: Immune checkpoint Inhibitors

Panel Discussion

*Young Researcher Forum

Awards Ceremony

Day 2 - September 18, 2018

Keynote Forum

Panel Discussion

Coffee Break

Speaker Forum

Track 11: Cancer clinical trials

Track 12: Radiology and Imaging in Cancer

Track 13: Cancer Prognosis and Diagnosis

Track 14: Cancer Micro And Immuno Environment

Track 15: Stem-Cell Therapy

Lunch Break

Speaker Forum (Cont...)

Track 16: Tumor Markers And Drug Targeting

Track 17: Tumor Biology

Track 18: Cancer Pharmacology

Track 19: Cancer Biomarkers

Track 20: Cancer Genomics And Metabolomics

Track 21: Cancer And HIV

Track 22: Immuno-oncology Studies

Track 23: Novel Approaches In Cancer And Tumor

Panel Discussion

*Young Researcher Forum

Poster Session & Coffee Break

Best Poster Evaluation

Awards Ceremony

Closing Ceremony

Glimpses of TUMOR & CANCER IMMUNOLOGY AND IMMUNOTHERAPY Conferences

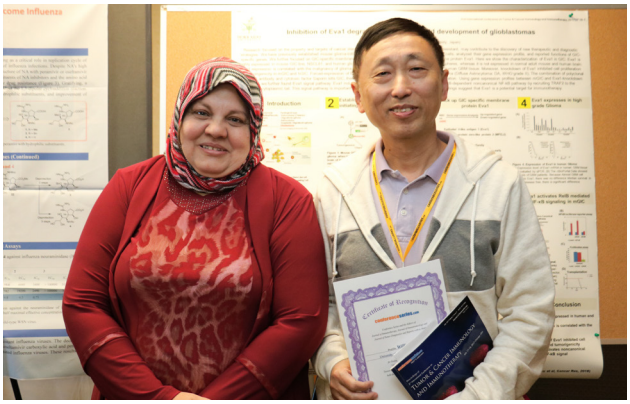

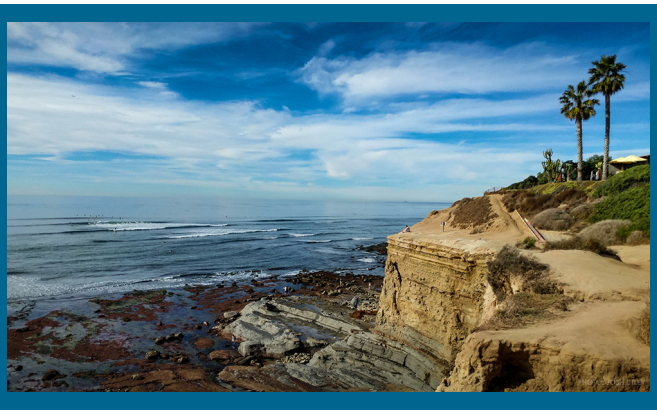

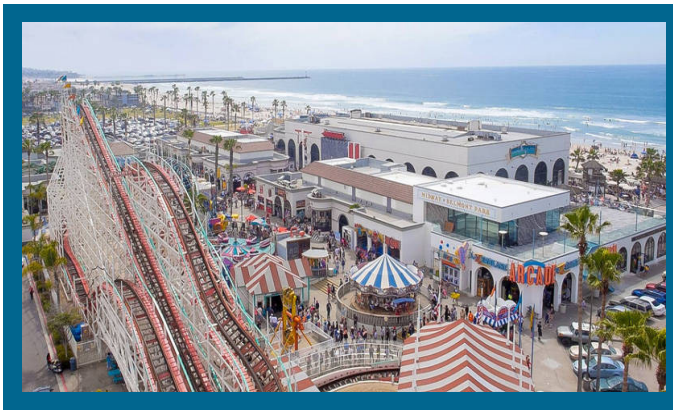

Tourist Destinations in San Diego, USA

Sao Paulo Cathedral

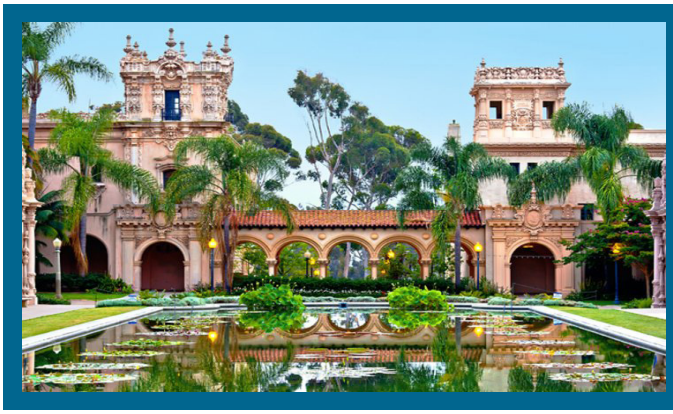

Sunset Cliffs Natural Park

Belmont Park

Cabrillo National Monument

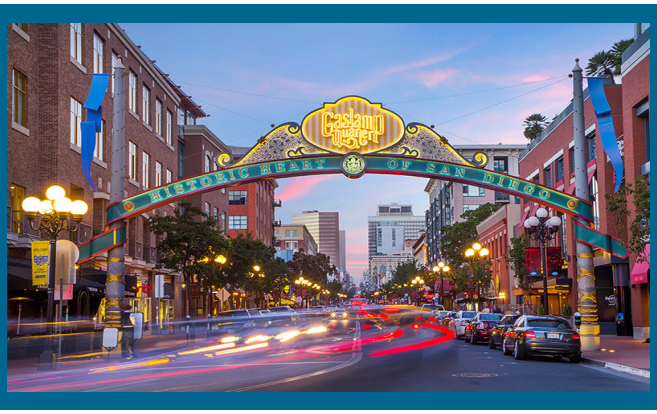

Balboa park

Midway aircraft carrier

Coronado Island And Silver Strand Beach

Gaslamp Quarter at california

Major Scientific Sessions

- Types of cancer
- Radiology and Imaging in Cancer
- Oncology Nursing
- Cancer Pharmacology
- Cancer Prognosis & Diagnosis
- Cancer Genomics and Metabolomics
- Antibody Therapy of Cancer
- Tumours
- Brain Tumors
- Tumor immunotherapy research
- Tumor Immunology
- Cancer Research & Cancer vaccines
- Cancer Immunology & Immunotherapy
- Immune checkpoint inhibitors
- Combining Cancer Immunotherapies
- Stem Cell Therapy
- Cancer micro and immuno environment
- Tumor markers and drug targeting
- Tumor biology
- Cancer biomarkers
- Immuno-Oncology studies
- Novel Approaches in Cancer & Tumor
- Cancer & HIV

Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

Conference Venue
San Diego, USA

San Diego Located on the coast of the Pacific Ocean in Southern California, San Diego is widely known as "America's Finest City." Famous for its miles and miles of white-sand beaches and amazing weather, the city offers an abundance of fun attractions for visitors of all ages.

Boasting a citywide population of more than 1.3 million and more than 3 million residents countywide, San Diego is California's second largest city and the United States' eighth largest. San Diego County is made up of 18 incorporate cities and towns along with other charismatic neighbourhoods and communities, such as Carlsbad, Coronado, Del Mar, Downtown San Diego's Gaslamp Quarter, Point Loma, Chula Vista, Old Town, La Jolla, and North Park. Discovered in 1542 by European explorer Juan Rodriguez Cabrillo, San Diego was originally named San Miguel. The bay and area of present-day San Diego was given its current name 60 years later, in 1602. European settlement in present-San Diego County first began with the founding of the first Catholic mission, Mission San Diego de Alcala, in 1769. San Diego is renowned for its incredible climate, which is characterized as warm, dry summers and mild winters with most of the annual precipitation falling between December and March. America's Finest City also showcases many popular attractions for the whole family to enjoy. Some of these include Sea World San Diego, LEGOLAND California, the world-famous San Diego Zoo, the Cabrillo National Monument, Balboa Park, several casinos, and many historic parks and museums. Another attraction of San Diego is its immediacy to Mexico. Because they share an international border, Tijuana and San Diego are grouped together as an international metropolitan area. Many visitors make their way south to enjoy luxury spas, beachfront resorts, golf courses, multicultural festivals and celebrations, colorful neighborhoods, and the nightlife. The city is also home to several major producers of wireless cellular technology, such as Qualcomm and LG Electronics. Because of UCSD and other research institutions, biotechnology & life science has made a large presence in the county. There are more than 400 biotechnology companies in the region alone.
