Program Announcement

Venue
Brisbane, Australia

Important Dates
Abstract submission opens: 27 August 2018
Registration opens: 01 October 2018
Early bird Registration: September 30, 2019
On spot registration: November 12, 2019

Accommodation
A large number of rooms have been reserved. Discounted room rates for Vaccines & Immunization 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship
An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Cardiology and Medicine.

About Brisbane

Brisbane is the sophisticated capital city of Queensland. Brisbane is one of the fastest-growing capital cities in Australia in terms of population and employment. Their residents are young and skilled, highly educated and culturally diverse. A river curving and curling its way around the landscape makes Brisbane one of the most unique capital cities in Australia.

Brisbane is the capital city of Queensland – Australia's second biggest state by zone. Notwithstanding being the third most crowded city in Australia, Brisbane is the biggest of Australia's six capital urban communities by geographic zone and the third biggest on the planet, involving about 1,140 km^2.

Today, Brisbane is outstanding for its unmistakable Queenslander design which shapes a significant part of the city's manufactured legacy. The city is a prominent vacationer goal, filling in as a door to the territory of Queensland, especially to the Gold Coast and the Sunshine Coast, well known resort regions instantly south and north of Brisbane, separately.

Brisbane experiencing extensive economic, population and cultural growth has become a multi-faceted and multi-cultural city perfect for business travel.
