ABOUT PHOENIX

Vaccines 2016 is going to be held in Phoenix, USA. Phoenix the capital, and largest city of the state of Arizona with 1,445,632 people

America's sixth-largest city still has real cowboys and rugged mountains and the kind of cactus most people see only in cartoons. Phoenix is the gateway to the Grand Canyon, and its history is a testament to the spirit of puebloans, ranchers, miners and visionaries.

Shopping centers as stylish and eclectic as the fashions they house. It's the No. 1 reason visitors come to Greater Phoenix.
