Plan Your Trip

One of the world's most visited cities, Paris has something for everyone:

Paris has a way of romancing visitors with its elegant beauty and magical ambience. This incomparable city is filled with grandiose monuments like the Eiffel Tower, Notre-Dame, and the Champs-Elysées Boulevard. Yet the charm of Paris lies in the small details: the quaint cobblestone streets, prettily trimmed trees, perfectly puffed pastries, dainty tea salons, Belle Epoque brasseries, and avant-garde art galleries. Like a veritable open-air museum, the city's buildings are works of art, and the Parisians' everyday fashion is worthy of a magazine spread.

The city celebrates its cultural heritage by assiduously maintaining its historic landmarks, French gardens, Louvre and the Musée d'Orsay Mona Lisa and Monet's masterpieces,Montmartreand Latin Quarter
