B2B Meetings

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes facebook
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues: All accepted abstracts will be published in respective Conference Series llc LTD Journals

Each abstract will be provided with digital Object Identifier by Crossref

About Conferences

Vascular Dementia Congress 2020 Conference website is attracting 25000+ Academicians including Professors, PhD Scholars, Students carrying out laboratory and field studies, Industrial Giants, Physics Societies and the people Associated, Nobel laureates in Optics, laser and Laser , Physicists , Optics Professionals, Laser Professionals, Photonics Professionals, Optics and Laser companies, Optics Laboratories and Technicians , Research Institutes and members, Supply Chain companies, Manufacturing Companies, Training Institutes, Business Entrepreneurs. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Vascular Dementia Congress 2020 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 150+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about 25th International Conference on Herbal and Alternative Therapies for Diabetes, present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

About Conferences

Objectives

After participating in this meeting, attendees should be able to
Discuss emerging issues in Herbal and Alternative Therapies for Diabetes
Discuss and apply recent research findings related to Herbal and Alternative Therapies for Diabetes
Reflect on the place of critical distance in Herbal and Alternative Therapies for Diabetes

Who should attend?

Academicians including Professors, PhD Scholars, Students carrying out laboratory and field studies, Industrial Giants, Physics Societies and the people Associated, Nobel laureates in Optics, laser and Laser , Physicists , Optics Professionals, Laser Professionals, Photonics Professionals, Optics and Laser companies, Optics Laboratories and Technicians , Research Institutes and members, Supply Chain companies, Manufacturing Companies, Training Institutes, Business Entrepreneurs.

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ ScientificSocieties. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

Conference Sessions

- Risk Factors and Related Diseases of Diabetes
- Case Studies and New Research Advances in Diabetes
- Diabetic Foot &other related disorders
- Diabetes devices and Technology
- Diabetes Nursing
- Type I, Type II and Gestational Diabetes
- Ayurvedic / Botanical / Herbal / Traditional / Unani medicines
- Ophthalmologic problem in Diabetes
- Cardiovascular risk in Diabetes
- Stem Cell treatment for Diabetes
- Gene therapy and Biomarker for Diabetes
- Alternative and Complementary therapies
- Insulin and Non-Insulin Therapies
- Pharmacological and Drug therapies
- Women, Diabetes, & cancer
- Ozone-Oxygen Therapies
- Cell Therapy/ Cell-based therapies
- Chinese Medical Therapies
- Ceruloplasmin replacement therapy
- Emerging & Novel Therapies
- Nutritional therapies
- Hormone therapy
- Pediatrics & Adolescent Diabetes

About Osaka, Japan

Osaka is central city of West Japan more than a population of 8 million people, and the downtown area is lined with office and commercial facilities of high-rise building and is big city where means of transportation develop commencing with railway network. On the other hand, we inherit history that prospered as politics, economy of Japan, seat of culture from ancient times and are city where landmark architecture and sceneries such as old burial mound or Buddhist temple and Shinto shrine Buddhist temple still remain. Osaka Bay leading to the Seto Inland Sea spreads to the west, and it is strategic point of traffic on the seas, and other Mikata is surrounded by mountains for a long time and are endowed with rich nature. In addition, there is relatively little rain and is climate that is warm through the year. It prospered as center of business that rice and special products gathered from all over Japan to be called "kitchen of the world" after the 17th century. It was indispensable to Japanese dishes, and culture of "soup stock" spread out in the whole country from here. In Osaka, various meals develop so as to be said to be town of "ruining by extravagance in food", and "powder things" such as takoyaki or okonomiyaki are Agriculture and fishery to support food culture are prosperous, and many traditional crafts including knife and tin devices such as kitchen knives are famous too. In addition, puppet ballad drama bunraku and kabuki of the Kyoto-Osaka area that were the UNESCO Intangible Cultural Heritage, traditional arts such as ability developed in Osaka. Kansai rakugo and comic dialogue are born as public entertainment, and they spread out as culture of "laughter" now in Japan. Entertainment such as professional sports or music such as baseball or soccer is substantial, too.There is power to bring about global innovation in Osaka. Thing not to be able to make creates new value that assumed "health, longevity" key by accumulation of manufacturing industry of Osaka said that there is not and utilization of advanced technique and aims at providing the result widely in the world.
