Dear Attendees,

We are glad to announce the 11th International Veterinary Congress to be held in Berlin, Germany From July 02-03, 2018 organized by Conference Series Ltd., Europe in collaboration with generous support and cooperation from enthusiastic academicians and Editorial Board Members.

Veterinary case studies and will be available to discuss with you the latest issues and trends in unveiling the emerging research for delivering effective veterinary care.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Veterinary Conference to network with your peers, exchange expertise and experiences and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Berlin this July.

Sincerely,
Veterinary 2018
Organizing Committee

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook fans Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be
published inrespective Conference Series LTD Journals
Each abstract will be provided with digital Object Identifier by Crossref

About Conference

Veterinary 2018 Conference website is attracting 25000+ Veterinary Surgeons and Veterinary Medicine Physicians online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Veterinary 2018 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Veterinary and Animal science present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

About Berlin

Built on sand on around the banks of the river Spree, Berlin has been one of Europe's most influential economic, cultural and political centres - for better or worse - since it's origins as a trading post in the 13th century. It was capital of both the Prussian and the German Empire until World War I uprooted the Hohenzollern dynasty, which had ruled since the 15th Century When people think of Berlin, the first thing that usually comes to mind is its most famous landmark – the Brandenburg Gate. For decades a symbol of division, the monument has always been the beating heart of a major city bursting with ideas, inspiration, art, culture and creativity. Highlights in the western parts of Berlin include the Kurfürstendamm, as elegant a shopping street as you'll find anywhere, the Kaufhaus des Westens department store (better known as KaDeWe), on-trend boutiques and exclusive galleries, as well as beautiful residential streets and, of course, Berlin's famous nightlife. And speaking of nightlife, no trip to Berlin would be complete without an evening at Friedrichstadt Palast, Germany's leading variety theatre. With the current production, SHOW ME, the Palast is said to have mounted the most expensive and dazzling stage show of all time. This Berlin spectacle is the very height of glamour – an explosion of light, colours, costumes and special effects. The cosmopolitan vibe also permeates the government district, which spreads out to the east from Brandenburg Gate and from the neighbouring Reichstag. There's a sense of peace and freedom in the air here – in stark contrast to the days when Berlin was responsible for unthinkable crimes. Berlin's population is 3.4 million down from 4.5 million before WW2. It is a vast city, extending over 889 square kilometers. Its twelve bezirke (boroughs) are Mitte, Friedrichshain-Kreuzberg, Pankow, Charlottenburg-Wilmersdorf, Spandau, Steglitz-Zehlendorf, Tempelhof-Schoneberg, Neukolln, Treptow-Kopenick, Marzahn-Hellersdorf, Lichtenberg, Reinickendorf, although many Berliners still use old names and districts for purposes of orientation.
