B2B Meetings

Dear Attendees,

We are glad to announce the 15th International Veterinary Congress to be held in Paris, France from August 17-18, 2020 organized by Conference Series llc LTD, Europe in collaboration with generous support and cooperation from enthusiastic academicians and Editorial Board Members.

Veterinary case studies and will be available to discuss with you the latest issues and trends in unveiling the emerging research for delivering effective veterinary care.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Veterinary Conference to network with your peers, exchange expertise and experiences and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to London this May.

Sincerely,
Veterinary 2020
Organizing Committee

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook fans Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be

published inrespective Conference Series llc LTD Journals

Each abstract will be provided with digital Object Identifier by Crossref

About Paris

Paris is that the capital and most thickly settled town of France, with associate administrative-limits space of one hundred and five sq. kilometers (41 sq.miles) and a 2015 population of two,229,621. the town of Paris' body limits type a horizontal oval cantered on its historical-heart island; this island is close to the height of associate arc of Seine stream.

The city could be a major rail, highway, and air-transport hub served by 2 international fields: Paris-Charles General de Gaulle (the second busiest airport in Europe once London Heathrow field with sixty three.8 million passengers in 2014) and Paris-Orly. Opened in 1900, the city's subway system, the Paris railway system, serves 5.23 million passengers daily, and is that the second busiest railway system system in Europe once Moscow railway system. Paris' Gare du Nord is one amongst the 10 busiest railway stations within the world, with 262 million passengers in 2015.

Paris features a typical Western European oceanic climate that is stricken by the North Atlantic Current. the general climate throughout the year is delicate and moderately wet. Summer days area unit typically heat and pleasant with average temperatures between fifteen and twenty five °C (59 and seventy seven °F), and a good quantity of sunshine. Each year, however, there area unit manydays once the temperature rises on top of thirty two °C (90 °F). Longer periods of additional intense heat typicallyoccur, like the warmth wave of 2003 once temperatures exceeded thirty °C (86 °F) for weeks, reached forty °C (104 °F) on some days and infrequently cooled down at night time.

The economy of the town of Paris is nowadays is predicated for the most part on services and commerce; of the 390,480 enterprises within the town, 80.6 % area unit engaged in commerce, transportation, and numerous services, 6.5 % in construction, and just 3.8 % in business. The second-largest downtown in terms of employment is La Defense, simply west of the town, wherever several firms put in their offices within the Nineties. In 2010, it absolutely was the geographical point of one hundred forty four,600 staff, of whom thirty eight % worked in finance and insurance, sixteen % in business support services..
