9th Global Veterinary Summit

November 16-17, 2017 Las Vegas, USA

Invitation...

Dear Attendees,

Conference series is overwhelmed to welcome all the interested participants to its 9th Global Veterinary Summit during November 16-17, 2017. The conference will be held in Las Vegas, USAorganized around the theme "Importance of Veterinary Medicine in the Global Community". 9th Global Veterinary Summit is an event that brings together active researchers, doctors, intellectuals, academicians, students, contributors and industrialists to exchange ideas, communicate and discuss research findings on new advancements in veterinary research, veterinary medicine, animal nutrition and poultry production.

9th Global Veterinary Summit anticipates more than 100 participants around the globe with thought provoking Keynote lectures, Oral Presentations and Poster Presentations. The attending delegates include Editorial Board Members of related OMICS Group Journals. This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Experts. The intending participants can confirm their participation by registering for the conference along with your colleagues.

We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the 9th Global Veterinary Summit Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Las Vegas this November.

Sincerely,

Veterinary Summit 2017
