9th Global Veterinary Summit

November 16-17, 2017 Las Vegas, USA

Invitation...

Dear Attendees,

Conference series is overwhelmed to welcome all the interested participants to its 9th Global Veterinary Summit during November 16-17, 2017. The conference will be held in Las Vegas, USAorganized around the theme "Importance of Veterinary Medicine in the Global Community". 9th Global Veterinary Summit is an event that brings together active researchers, doctors, intellectuals, academicians, students, contributors and industrialists to exchange ideas, communicate and discuss research findings on new advancements in veterinary research, veterinary medicine, animal nutrition and poultry production.

9th Global Veterinary Summit anticipates more than 100 participants around the globe with thought provoking Keynote lectures, Oral Presentations and Poster Presentations. The attending delegates include Editorial Board Members of related OMICS Group Journals. This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Experts. The intending participants can confirm their participation by registering for the conference along with your colleagues.

We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the 9th Global Veterinary Summit Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Las Vegas this November.

Sincerely,

Veterinary Summit 2017

Office of the Governor

GREETINGS FROM THE GOVERNOR

November 16 – 17, 2017

As Governor of the great State of Nevada, I am proud to welcome you to the ninth Global Veterinary Summit. Thank you to those who have dedicated their time to preparing for this event.

With the theme "Importance of Veterinary Medicine in the Global Community," this conference is an opportunity to share expertise and research. I commend this organization for your dedication to providing educational opportunities and the chance to meet colleagues and share knowledge. I hope you all find this experience beneficial to your work.

Again, welcome to the Silver State. I wish you all the best, and hope you have the chance to explore all that Southern Nevada has to offer.

Sincere regards,

BRIAN SANDOVAL
Governor

INTERNATIONAL CONFERENCE OF VETERINARY SUMMIT 2017 LAS VEGAS, NEVADA NOVEMBER 16-17, 2017

Greetings to all conference attendees:

As Mayor, I am pleased to welcome you to America's most dynamic, entertaining, and intriguing city! You could not have chosen a better locale to hold this year's conference. I am convinced that once you get a taste of what the city has to offer, you will never want to leave. Las Vegas continues to capture the world's imagination as the city where anything is possible. With world-class hotels, award-winning restaurants, luxurious spas, fantastic shopping, the finest golf courses, and spectacular entertainment, Las Vegas remains one of the most electrifying destinations in the world.

At its heart Las Vegas is all about making sure residents and visitors are well taken care of, treated courteously, and shown a great time. Beyond the neon of the fabulous Strip and the Fremont Street Experience, there is another Las Vegas--one in which we are building a world-class city featuring the best in arts, culture, sporting opportunities, and quality medical care. The new Smith Center for the Performing Arts has set a high standard for art and culture in our city, and I encourage everyone to take in a concert or Broadway show at this magnificent venue. Regardless of your age, a must-visit spot is the children's interactive Discover Museum adjacent to the Smith Center. Buzzing with excitement and energy is the Fremont East Entertainment District, a place with an energy and enthusiasm through its taverns, restaurants, and music venues.

The city also offers beautiful weather and outdoor activities, from top-class golfing to opportunities for world-class hiking and rock climbing at the Red Rock Canyon National Conservation Area, to skiing at Mount Charleston, and a visit to the awe-inspiring Hoover Dam at the Lake Mead National Recreation Area. If history is more your speed, you are in luck because the National Museum of Organized Crime and Law Enforcement and the Neon Museum are two of the most interesting and unique experiences in the country.

I want to thank you for choosing Las Vegas and look forward to seeing you around town. Please accept my gratitude for your work in the veterinary field and my best wishes for a great conference. I know you will have a fabulous time enjoying our great city and everything it has to offer. Now what are you waiting for? The party has already started! Welcome.

Sincerely,

Carolyn G. Goodman
Mayor, City of Las Vegas

Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement

- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors
