19th International Conference on

Virology, Emerging Diseases & vaccines

Date: September 26-27, 2024

Venue: Montreal, Canada

Theme:

Current and Future Challenges to Eradicate Viral Diseases

INVITATION

Dear Attendees,

We are glad to announce the **"19th International Conference on Virology, Emerging Diseases & vaccines"** to be held in **Montreal, Canada** on **September 26-27, 2024** organized in collaboration with generous support and cooperation from enthusiastic academicians and Editorial Board Members. **Virology** aims at sharing new ideas and technologies amongst the professionals, industrialists and students from research areas of Oral & Maxillofacial Pathology Formulations and Drug Delivery. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

19th International Conference on Virology, Emerging Diseases & vaccines amid **September 26-27, 2024** at **Montreal, Canada.** This consolidates incite keynote presentations, Oral talks, Poster presentations and Exhibitions.

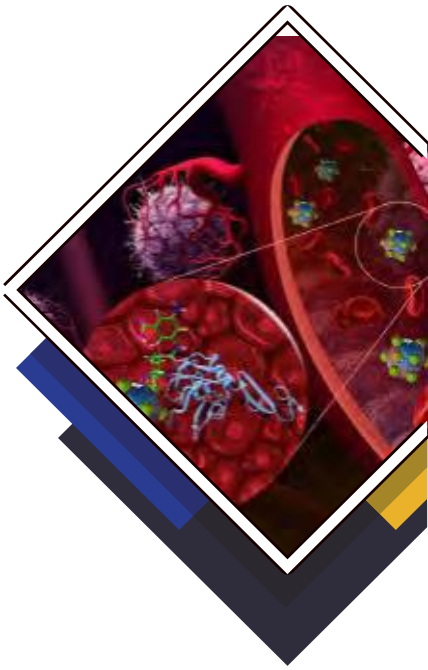

Sincerely,
Virology 2024
Organizing Committee

ABOUT US

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

ABOUT CONFERENCES

Oral Pathology 2024 Scientific Committee is honored to welcome you all to attend **19th International Conference on Virology, Emerging Diseases & vaccines** which will be held during **September 26-27, 2024** at **Montreal, Canada** . **Virology 2024** will raise the most dynamic and latest issues in the field of Oral and Maxillofacial Pathology. The Congress will highlight the discussion around the theme **"Virology, Emerging Diseases & vaccines: Current and Future Challenges to Eradicate Viral Diseases"** by bridging the gaps between the intellectuals from across the globe to enlighten their research and findings at **Virology 2024**. The highlights of the conference presents a fantastic line-up for many international experts such as Professors and Ph.D Scholars from academia, Clinicians, R&D Scientists, CEOs, CROs, CMOs, Director, President from Pharmaceutical Companies, Manufacturers, Distributors and Suppliers of vaccines Technologies, Business Entrepreneurs, Health professionals & Pharmacist, Quality control specialist. It provides interdisciplinary platform to present and discuss the most recent innovations, trends as well as practical challenges encountered and solutions adopted in the fields Virology, Emerging Diseases & vaccines.

Virology 2024 Salient Features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 150+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's Business Experts to catalyze and advance scientific knowledge about 19th International Conference on Virology, Emerging Diseases & vaccines, present the most recent research findings, andpromote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

ABOUT CONFERENCES

Objectives

- After participating in this meeting, attendees should be able to
- Discuss emerging issues in Virology, Emerging Diseases & vaccines.
- Discuss and apply recent research findings related to Virology, Emerging Diseases & vaccines.
- Reflect on the place of critical distance in Virology, Emerging Diseases & vaccines.

Who should attend?

Academicians including Professors, PhD. Scholars, Students carrying out Virology & vaccines and The conference is of interest to all those in the Continuing Education/Professional Development experience, including pharmacists, developers, sponsors, faculty, regulators, government, professional associations, pharmaceutical industry, communication companies, and allied health care providers and organizations from around the world

Virology 2024 salient features

- General Virology
- Influenza and other Respiratory Diseases
- Transmission of Viruses
- Viral Pathogenesis
- Microbial Infections
- Clinical and Neuro Virology
- Viral Oncology
- Novel Antiviral Therapies
- HIV/AIDS and Sexually Transmitted Infections
- New and Endogenous Retroviruses
- Viral Genetics, Evolution and Dynamics
- Structural and Molecular virology
- Veterinary virology
- Viral Immunology and Immunopathology
- Novel Vaccine Delivery Methods
- Vaccines and the Microbiome
- Immunization and Immunotherapeutics
- Vaccines against Emerging Diseases (Ebola/Zika/Dengue/Chik)
- Corona Virus
- About hosting organization

About hosting organization

Conferenceseries LLC Ltd is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ ScientificSocieties. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

ABOUT Montreal

Montreal, Canada, stands as a vibrant metropolis steeped in history, embodying a rich tapestry of cultural diversity and economic significance. Situated on the picturesque island of Montreal at the confluence of the St. Lawrence and Ottawa rivers, its strategic geographical location has long facilitated trade and commerce, dating back to its origins as a French colonial fur trading post in the 16th century. Over time, Montreal burgeoned into a key hub for international trade, propelled by its advantageous position along major transportation routes and its emergence as a center of industrialization during the 19th century. The city's historical narrative is palpable in its architecture, from the cobblestone streets of Old Montreal to the modern skyscrapers that punctuate its skyline. Montreal's emergence as a cultural powerhouse is evident in its vibrant arts scene, world-class museums, and renowned festivals such as the Montreal International Jazz Festival and the Just for Laughs comedy festival. Moreover, Montreal's capability as an economic force extends beyond its cultural contributions; it boasts a robust economy driven by sectors such as , technology, finance, and healthcare.
