Hyatt Place London Heathrow Airport, London, UK

Address:
Conference Series
35 Ruddlesway,
Windsor, Berkshire
UK

About Conference

Conference Series welcomes you to attend and share your research at our upcoming **21st International Conference on Virology, Emerging Diseases & vaccines** during **September 07-08, 2026** with the theme "**Innovating Against Emerging Viruses: The Future of Virology**" in **Hyatt Place London Heathrow Airport, London, UK**. We, the Conference Series, cordially invite all the speakers, delegates, and students who are interested in sharing their knowledge and research in the area of infectious diseases. The Conference can stand to bring together scientists, researchers, societies, and all representatives of enterprise regions in different fields. This Conference is an open platform especially for the young researchers to spread their research.

Keynote Speakers

Workshops/ Symposiums

International Speakers

Networking Sessions

Industrial Delegates

Scientific Sessions

- Infectious diseases
- Coronavirus Disease (COVID-19)
- Bacterial infectious diseases
- Fungal Infectious Diseases
- Viral Infectious Diseases
- Veterinary diseases
- Paediatric infectious diseases
- Nosocomial infections and control
- Urinary tract infections
- Blood Infectious Diseases
- Sexually Transmitted Diseases
- Neuro infectious diseases
- Epidemiology
- Orthopaedic Infections
- Sepsis/Septicemia
- Infectious diseases prevention, control and cure
- Vaccines and Vaccination
- Rare Infectious Diseases
- Surgical Site Infections
- STD and HIV Infection
- Viruses and Cancer
- Disinfection and Sterilization
- Plants Diseases and Infection Control
- Microbiology and Virology

Who can Attend

- Microbiologists
- Bacteriologists
- Virologists
- Parasitologists
- Mycologists
- Immunologists
- Pathologists
- Pharmacists
- Epidemiologists
- Dermatologists
- Neurologists
- Research Associates

Scientists and Researchers from Research Institutes, Universities, Companies, and Laboratories from Asia Pacific, America, Europe and the Middle East Zone

Virology 2026

Conference Schedule

DAY 1/September 07, 2026		DAY 2/September 08, 2026	
09:00-10:00	Keynote Sessions	09:00-10:00	Keynote Sessions

16:30-17:30	Poster Presentations	16:30-17:30	Poster Presentation
Award Felicitation & Closing Ceremony			

Why to Attend

We are dedicated to provide a platform where you can meet with like minded people and peers. So, don't miss your chance to:

1. Real Networking
2. Connect, Share and Learn
3. Learn Beyond your Field of Interest
4. Break Out of Your Comfort Zone
5. Get feedback on an early version of your latest work
6. Improve your presentation and communication skills

Important Information

Submit your Abstract in the Below Link
https://virology.conferenceseries.com/abstract-submission.php

Abstract acceptance will be intimated through Email & WhatsApp.

Then you can proceed further by registering towards the conference to confirm your slot.
https://virology.conferenceseries.com/registration.php

FOR DELEGATE PARTICIPATION:
You can directly confirm your slot by registering towards the conference under Delegate category.
https://virology.conferenceseries.com/registration.php

Conference Registration

Speaker	$ 699
Delegate	$ 599
Exhibitor	$ 1349

Dates to Remember

Abstract Submission Opens for Oral/Poster Presentation

Early Bird Registration: **June 28th, 2026**

On spot registration: **September 07th, 2026**

Registration Includes

Access to all Presentations

The Participants will be awarded with Best Poster and Best Oral Presentation Award

About London

London, the capital of the United Kingdom, is a global hub of science, culture, and innovation. Renowned for its rich history and world-class research institutions, the city offers an inspiring backdrop for international collaboration. From iconic landmarks like the Tower of London and Buckingham Palace to its vibrant arts, culinary, and academic scenes, London seamlessly blends tradition with modernity—making it the ideal destination for global professionals to connect, exchange ideas, and explore new frontiers in infectious disease research.
