conferenceseries LLC Ltd

13th World Congress on

Virology, Infections and Outbreaks

December 05-06, 2018 | Vancouver, Canada

Invitation

Dear Attendees,

Conference Series LLC Ltd welcomes you to attend the **13th World Congress on Virology, Infections and Outbreaks** during **December 05-06, 2018 at Vancouver, Canada**. We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Virology & Infectious Diseases.

Virology and Viral Diseases 2018 anticipates more than 300 participants around the globe with thought provoking Keynote lectures, Oral and Poster presentations. The attending delegates include Editorial Board Members of related Conference Series LLC Ltd Journals.

This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists. The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer.

The main theme of the conference is **"Advanced Research and Emerging Issues in the Field of Virology".**

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and vibrant interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Virology and Viral Diseases Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to **Vancouver** this **December..**

Sincerely,

Virology and Viral Diseases 2018 | Organizing Committee

Tentative Program

Preparation and submission of abstracts

- Abstracts must be submitted in Microsoft Word with complete names and affiliation of all authors, including contact details of corresponding author (Telephone, Fax and E-mail address).
- The abstract title must be BOLD, ALL CAPITAL LETTERS, in 12-point Times New Roman Font. Times New Roman and 12 fonts must be used for the content.
- Indicate each author's affiliation with a superscript numeral following the surname.
- Abstract should not exceed 1 page 1.5-spaced in 12-point Times New Roman.
- Abstract narrative must be clear and concise; grammar must be checked in advance.
- Each submitted abstract should only have one presenting author.

Things to know before submission of abstract

- Submission of an abstract implies that the work described has not been published before and that it is not under consideration for any conference elsewhere.
- Abstract submitted must be prior approved by all the co-authors before submitting to the conference. Authors should strictly adhere to the authorship criteria.
- Each abstract will receive a Digital Object Identification Number (DOI) provided by Cross Ref.
- All the accepted abstracts will be published in conference proceedings which are to be distributed on the day of conference.
- All accepted abstracts will be published in International journals as supplementary materials.

Why Conference series LLC Ltd

- Interactive webinars, workshops and video presentations for selective speakers on the day of the conference.
- National and International workshops can be co-organized at your University with collaboration with Conference Series LLC Ltd making you world exposure.
- Unique speaker and abstract pages will be created in Google to make your profile worldwide visibility.
- Supporting fair and timely review process with the valuable inputs and from the responsible reviewers.

Market Analysis

The major players are expected to remain key growth drivers for virology over the study period because of increased instances of viral epidemic breakouts and huge investment in Research and Development. Our virology conference is bringing experts from the field of virology for discussion of the latest advances and ideas and to stimulate interdisciplinary interactions. Conference like ours will help to speed up of the development of effective therapies for viral disorders.

Market Segmentation

Virology Market is segmented By Applications into Skin and Soft Tissue Infections, Respiratory Tract Infections, GI Tract Infections, Urinary Tract infection, Eye Infections, Sexually Transmitted Diseases, Perinatal Infections. STDs, Urinary tract infections, and respiratory tract infections are currently dominating as compared to the other application types in the global virology market. Virology Market is segmented By End Users into Hospitals, Clinics, Laboratories, Diagnostic Centers, Blood Banks, Pharmacies.

Major sessions

- Clinical virology
- Viral Diseases
- Respiratory Viral Infections
- Viral Immunology
- Viral Vaccine
- Emerging Viral Diseases
- Antiviral Drugs
- Epidemiology Of Viral Diseases
- Viral infection and their control
- Deadliest Virus: Ebola, Zika virus, H1N1 Flu Virus, Rabies, Smallpox, Dengue
- HIV, Diagnosis, Treatment and Current Research
- Hepatitis B Virus Infection
- Herpes Simplex Virus
- Viral Oncology
- Molecular virology
- Food virology

Membership

Annual Membership

- Registered Member can attend upto 10 Conferences, organized by Conference Series LLC Ltd, with A Complementary Registration applicable for Package A Category.
- Registered Member will get up to a prestigious Annual Membership Certificate from Conference Series LLC Ltd.
- Registered Member can submit up to 10 abstracts of their research work for any of the 10 conferences he/she will attend.
- Opportunity to organize a workshop at any of our THREE Conferences.
- Registered Member will have his/her Affiliate Organization logo recognized on Main Backdrop Banner of the Conference.
- Registered Member will also receive a Complementary Networking Contact Details of all the Attendees of the Conference that he/she attends
- ONE Complementary Article Publication for a period of ONE YEAR in any ONE of our supporting International Journals of the Conference he/she attends.

Three-Year Membership

- Registered Member can attend up to 33 Conferences Across the Globe, organized by Conference Series LLC Ltd, with A Complementary Registration applicable for Package A Category.
- Registered Member will get a a prestigious THREE YEAR MEMBERSHIP Certificate from Conference Series LLC Ltd.
- Registered Member can submit up to 35 abstracts of their research work for any of the 33 Conferences he/she will attend.
- Opportunity to organize a workshop at at any of our 12 events.
- Upon his/her interest and subjected to approval from the Organizing Committee, he/she can be the prestigious Moderator for the Conference.
- Registered Member will have his/her Affiliate Organization logo recognized on Main Backdrop Banner of the Conference.
- Registered Member will also receive a Complementary Networking Contact Details of all the Attendees of the Conference that he/she attends.
- FOUR Complementary Article Publications for a period of THREE YEARS in any of our supporting International Journals of the Conference he/she attends.
- The amount can be paid in FOUR Quarterly installments during the First Year of the Membership Plan.

Five-Year Membership

- Registered Member can attend up to 55 Conferences Across the Globe, organized by Conference Series LLC Ltd, with A Complementary Registration applicable for Package A Category.
- Registered Member will get a prestigious certificate for a FIVE YEAR MEMBERSHIP Certificate from Conference Series LLC Ltd.
- Registered Member can submit up to 60 abstracts of their research work for any of the 55 conferences he/she will attend.
- Opportunity to organize a workshop at any of our 25 events.
- Registered Member will have his/her Affiliate Organization on Main Backdrop Banner of the conference.
- Upon his/her interest and subjected to approval from the Organizing Committee he/she can be the prestigious Moderator and/or the Session Chair or Co-Chair for the Conference.
- Registered Member will also receive a Complementary Networking Contact Details of all the Attendees of the Conference that he/she attends
- Eight complimentary article publications for a period of five years in any supporting international journals of the Conference he/she attends
- EIGHT Complementary Article Publications for a period of FIVE YEARS in any of our supporting International Journals of the Conference he/she attends.
- The amount can be paid in FOUR Quarterly installments during the First Year of the Membership Plan.

Attendees with Membership Subscriptions enjoy discounted rates and privileges.

SPEAKER TESTIMONIALS

The Virology Conference 2015 was well organized

Filippo De Nicolellis
Fiumcello,Friuli Venezia Giulia, Italy

It was a good meeting

Sita Awasthi
University of Pennsylvania, USA

Overall, the conference was a huge success.

Yohanna Kambai Avong
Institute of Human Virology, Nigeria

Wonderful job done in organizing this conference. The 5th world congress on Virology-Atlanta 2015 was a huge success in its entirety. Congratulations! I hope I am speaking the mind of all participants when I say “we did not only benefit from the conference, but tremendously enjoy ourselves" while the conference lasted. We wish to have cause to interact again in the very near future events.

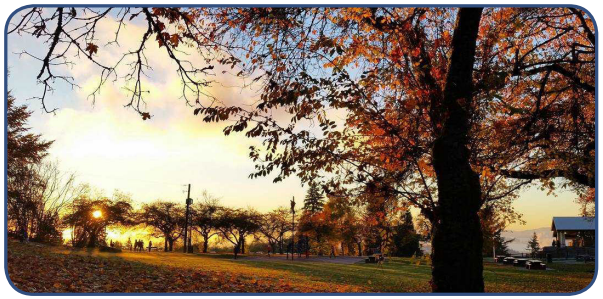

Dominic Abaver
Walter Sisulu University, South Africa
