Invitation

Dear Attendees,

We are glad to announce the **International conference on Virology, Emerging diseases & Vaccines** to be held as Webinar from **July 21-22, 2021** organized by Conference Series LLC Ltd, in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Virology 2021 is an extraordinary event to facilitate the dissemination and application of research findings related to Virology and its research. The conference invites participants from all leading Universities, Virology Research Institutions and Companies to share their research experiences on all aspects of this rapidly expanding field and thereby, providing a showcase of the latest innovations and advancements in Virology, Emerging Diseases and Vaccines.

As the premier Webinar, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Virology, Emerging diseases & Vaccines Webinar to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to your participation at Webinar this July.

Sincerely,
Virology 2021
Organizing Committee
