Invitation…

Dear Colleagues,

Conference Series Ltd. welcomes you to attend **"10th World Congress on Virology and Mycology"** during **May 11-12, 2017** at **Singapore** with the theme **"New technologies and therapeutic approaches in virology and mycology"**. This international meet **(Virology Asia 2017)** provides the perfect platform for the scientific community as an interactive and engaging 2-day event: unique in format, content, networking and engagement. By bringing together the Microbiology community, presenting the latest developments, and identifying unmet treatment needs, Virology Asia 2017 hopes to accelerate research and drug development in Virology and Mycology, improving patient outcomes.

Organizing Committee Members

PR Raghavan
Nanorx Inc
USA

Peter Timms
University of the Sunshine Coast
Australia

Amita Jain
King George Medical University
India

Rajarshi Kumar Gaur
Mody University of Science and Technology, India

Zhaocai Zhou
Shanghai Tech University
China

Naeima M H Yousef
Assiut University
Egypt

Kim Van Van
Vietnamese National University of Agriculture, Vietnam

Pham Hong Ngan
Vietnam National University of Agriculture, Vietnam

Tentative Agenda

May 11, 2017 Thursday	
Time	**Session**
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
	Group Photo
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Session 1: Virus & Viral Evolution, General Virology; Viral Pathogenesis & Latency, Virulence; Molecular & Genomic Virology; Vaccines & Antiviral Drugs
	Session 2: Viral Therapy & Viral Vectors; Viral Replication; Herpes Simplex Virus; Neuro Virology
13:00-13:45	Lunch Break**
13:45-16:00	Session 3: Sexually Transmitted Viral Infections; Oncogenic Viruses; Viral Respiratory Infections; Current Trends and research in Virology
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Session 4: Serological Methods in Virology; Viral Bioweapon; Plant & Agricultural Virology; Viral hepatitis
Day Concludes	

May 12, 2017 Friday	
Time	**Session**
09:30-10:30	Session 5: Veterinary Virology; Aquatic Viral Disease; Mycology and its diversity; Mycotoxins
	Network & Refreshments Break*
10:30-11:30	Session 6: Mycology and Ecology; Medical and Industrial Mycology; Food and Veterinary Mycology
11:30-11:45	Network & Refreshments Break*
11:45-12:20	Session 7: Clinical Mycology and Mushrooms; Viral Haemorrhagic Fever
12:20-13:00	Session 8: Transplant associated Viral Infections
13:00-13:45	Lunch Break**
13:45-16:00	Special sessions
16:00-16:15	Network & Refreshments Break*
16:15-17:00	Award Ceremony
Conference Concludes	

* Exclusive Exhibitor Event | ** Networking Event

Note: Conference schedule is subject to change.

Note: Workshops and Symposia slots are available. To book slot for Workshop and Symposium send us the proposal.

Renowned Speakers

Title: Etiology of Acute Encephalitis Cases in Uttar Pradesh, India

Parul Jain

King George's Medical University
Lucknow, India

Title: Epidemiological profile of respiratory pathogens causing Acute Respiratory Infections across the Peninsular Malaysia

Ammar Afif

Pantai Premier Pathology laboratory, Malaysia

Title: Role of Real Time PCR in diagnosis of Japanese Encephalitis Virus in Acute Encephalitis Cases

Shantanu Prakash

King George's Medical University
Lucknow, India

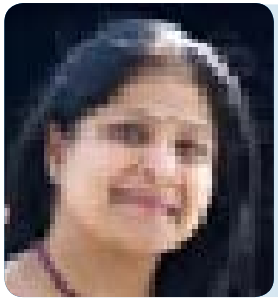

Title: Immunological and Virological Discordance in Patients on Antiretroviral Therapy : Still a Grey Area in HIV Research

Ganesh Shanmugasundaram Anusuya

Sree Balaji Medical College and Hospital, India

Renowned Speakers

Title: Etiology of Acute Encephalitis Cases in Bihar, India

Amita Jain

King George's Medical University
Lucknow, India

Title: Probiotics in Aquaculture

Kim Van Van

Vietnamese National University of Agriculture
(VNUA)

Title: Importance of HPV-16 E1 expression in cervical carcinogenesis

Fern Baedyananda

Chulalongkorn University
Thailand

Title: Isolation, Speciation and Antifungal Susceptibility Testing Of Candida Isolates from Various Clinical Specimens at a Tertiary Care Hospital, Nepal

Sundar Khadka

National Public Health Laboratory, HIV Reference Unit
Kathmandu, Nepal

Keynote Speakers

Keynote Speakers

P R Raghavan
CEO and Founder of Nanorx Inc
New York, USA

Peter Timms
University of the Sunshine Coast
Australia

Limin Chen
University of Toronto
Canada

Speaker slots available

Past Conference Report

Conference series Ltd hosts the prestigious "10th World Congress on Virology and Mycology" scheduled on May 11-12, 2017 Singapore after the successful 8th World Congress on Virology (10 Plenary Forums-1 Event) which was held during November 28-30, 2016 at San Antonio,USA. The conference was marked with the attendance of Editorial Board Members of supported Conference Series Ltd journals, scientists, young and brilliant researchers, business delegates and talented student communities representing more than 20 countries, who made this conference fruitful and productive. This conference was based on the theme, "Exploring Novel Approaches in Virology"

Virology Asia 2017 will feature a global audience of scientific leaders, academia and Virology and Mycology professionals, who are going to discuss today's emerging treatments and diagnostics in Virology and Mycology. By bringing together the Virology community, presenting the latest developments, and identifying unmet treatment needs, Virology Asia 2017 hopes to accelerate research and drug development in Virology and Mycology, improving patient outcomes.

Keynote Speakers @ 2016 Conference

C Yong Kang
Canada

Ting-Chao Chou
USA

Venue

SINGAPORE, known as "the LION city," becomes a favourite destination because it is a global city and is a densely populated island with tropical flora,parks and gardens. Singapore is a global commerce,finance and transport hub.

Must visit destinations in Singapore

- City Merlion Park, Jurong Bird Park, Palawan Beach, Sentosa, Singapore Flyer, Singapore Botanical Gardens, Singapore Zoo, Universal Studio

Singapore has been set aside for parks and natural reserves. The network of natural reserves,parks,park connectors,natural ways,tree-lined roads and other natural areas have enhanced the sense of green space in the city which will keep you busy for weeks. Singapore has a tropical rainforest climate with no distinctive seasons,uniform temperature,pressure,high humidity and abundant rainfall. Sentosa,Singapore Flyer,Universal Studios Singapore,Night Safari Singapore,Singapore Botanic Gardens,Jurong Bird Park,Singapore Zoo, Sri Mariamman Temple,Pulau Hantu famous for its rich coral reefs and Peranakan Museum are some of the points of interest in Singapore. Singapore is the home of the football,basketball,cricket,swimming,sailing,table tennis,badminton and water sports such as sailing,water skiing and scuba diving. A splendid location, life expectancy, quality of life,personal safety and housing that is unsurpassed for its livability makes Singapore a city to visit and remember.

You'll fall in love with Singapore

Venue:
Holiday Inn Singapore Atrium
317 Outram Road Singapore 169075
