Virology Asia 2020

ABOUT US

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

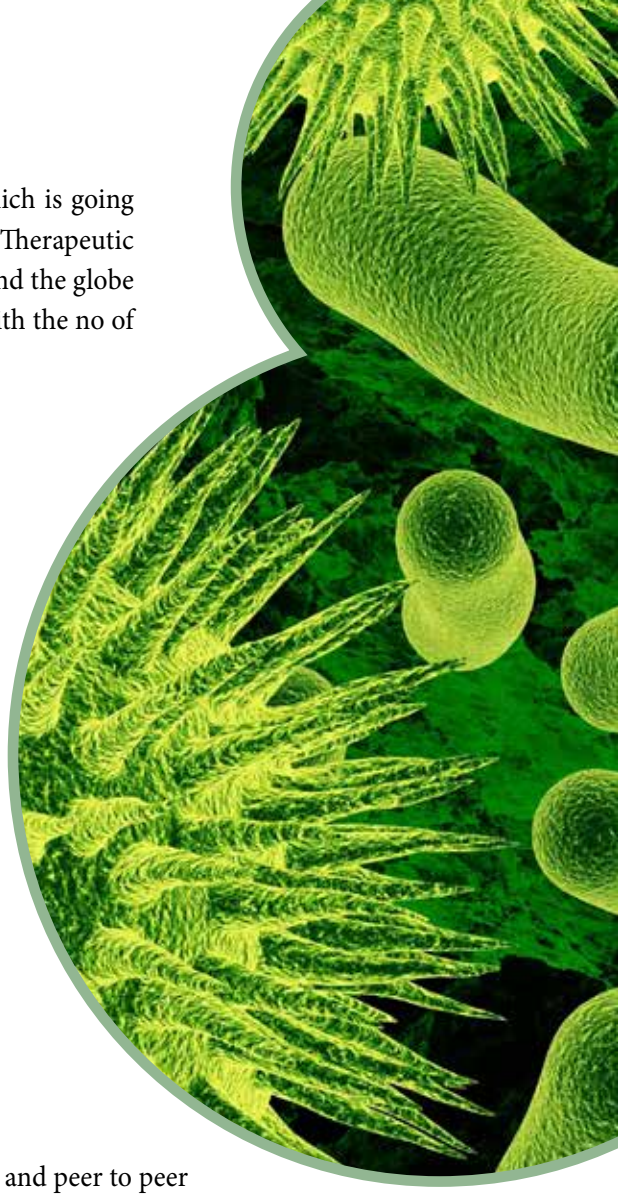

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

ABOUT CONFERENCES

Conference Series LLC Ltd is truly delighted to announce **13th World Congress on Virology and Infectious Diseases** which is going to held on **February 24-25, 2020** in **Tokyo, Japan**. **Virology Asia 2020** revolves around the theme latest and Advanced Therapeutic approaches of Virology. We welcome all the delegates and research professionals of Virology and Infectious Diseases from around the globe for this 2-day event where all the aspects related to Virology are discussed. Virology Asia 2020 will offer a unique experience with the no of Keynote/Plenary Talks, Poster Presentations, and Workshops by eminent personalities.

Virology Asia 2020 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 150+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about International Conference on Dermatology , present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

ABOUT CONFERENCES

Objectives

- After participating in this meeting, attendees should be able to
- Discuss emerging issues in Dermatology
- Discuss and apply recent research findings related to Dermatology and Skin Diseases.
- Reflect on the place of critical distance in Dermatology Research.

Who should attend?

- Academicians including Professors, PhD Scholars, Students carrying out laboratory and field studies, Industrial Giants, Physics Societies and the people Associated, Nobel laureates in skin growth, skin ailments, Allergy manifestations, Dermatological maladies, Clinical Dermatology and Cosmetic Dermatology.

Conference Sessions

- Viruses and Classification
- Viral Biochemistry
- Molecular virology
- Neuro virology
- Respiratory Viral Infections
- Viruses and Tumours
- Oncolytic Virology
- Plant and Agricultural Virology
- Veterinary Virology
- Fungal Virology
- Clinical Virology
- HIV and other Emerging Viruses
- Microbiology
- Bacterial Infections
- Parasitic infections
- Viral Vaccines
- Development of Antivirals
- Current Focus in Virology Research

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ ScientificSocieties. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

ABOUT TOKYO

Japan is an island nation in East Asia. Located in the Pacific Ocean, it lies off the eastern coast of the Asian continent and stretches from the Sea of Okhotsk in the north to the East China Sea and the Philippine Sea in the south. Japan has the world's tenth-largest population, with over 126 million people. Honshu's Greater Tokyo Area, which includes the de facto capital of Tokyo and several surrounding prefectures, is the largest metropolitan area in the world, with over 30 million residents.

Tokyo is both the political and healthcare capital of Japan. The quality and range of medical services and facilities in Tokyo have contributed largely to the growing demand for medical tourism in the country. Tokyo is the biggest metropolitan area in the world and is the busiest hub in Japan. Tokyo would have the 8th-largest economy in the world. The city's pop culture manifests itself everywhere makes it a city unlike any other and offers a unique travel experience. If that along with the great food, luxury hotels and ancient shrines are not enough of a reason to visit Tokyo.
