20+ Exhibitors

About the conference

Join us in London,UK, on November 20-21, 2024, for the 7th World Congress on Virology and Diseases Control. Themed “Advancing Global Health Through Vaccination,” our conference aims to foster collaboration and innovation among experts in virology, infectious diseases, and vaccination to address urgent viral disease challenges.

This conference provides a vital platform for leading minds to advance the global health agenda through pioneering research and inventive strategies. Discussions will focus on vaccine development, equitable access, and effectiveness, aiming to overcome vaccine hesitancy and strengthen pandemic preparedness efforts worldwide.

Join scientists, clinicians, policymakers, and industry leaders in shaping the future of global health at the Virology Diseases 2024. Don’t miss this transformative opportunity to drive progress in virology, emerging diseases, and vaccination. Save the date and see you in Uk!

Lead the way in innovation by securing your registration and submitting your abstract to this momentous virology conference, as the official countdown has started!

Theme: “Advancing Global Health Through Vaccination”.

Why to attend the conference

The 7th World Congress on Virology and Diseases Control is a unique and exciting opportunity, have been designed in an interdisciplinary manner with a multitude of tracks to showcase the new technology, the new products of your company, the service your industry may offer to a broad international audience. It covers a lot of topics and it will be a nice platform to showcase their recent research on Virology Applications.

Business networking is an avenue for vendors to have network and B2B meetings with “Top Scientists and Colleagues” and with an effective low-cost marketing method for developing sales and opportunities and contacts, based on referrals and introductions either face-to-face at meetings and gatherings, or by other contact methods such as Telephone, E mail, Digital and increasingly social and business networking websites.
