ABOUT VENUE

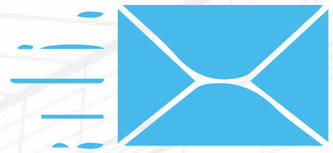

Frankfurt was a city state, the Free City of Frankfurt, for nearly five centuries, and was one of the most important cities of the Holy Roman Empire, as a site of imperial coronations; it lost its sovereignty upon the collapse of the empire in 1806 and then permanently in 1866, when it was annexed by the Kingdom of Prussia. It has been part of the federal state of Hesse since 1945. Frankfurt is culturally, ethnically, and religiously diverse, with half of its population, and a majority of young people, having a migration background. A quarter of the population consists of foreign nationals, including many expatriates.

Frankfurt is an alpha world city and a global hub for commerce, culture, education, tourism and transportation. It is the site of many global and European corporate headquarters. Frankfurt Airport is among the world's busiest. Frankfurt is the major financial centre of the European continent, with the headquarters of the European Central Bank, Deutsche Bundesbank, Frankfurt Stock Exchange, Deutsche Bank, DZ Bank, KfW, Commerzbank, several cloud and fintech start-ups and other institutes. Automotive, technology and research, services, consulting, media and creative industries complement the economic base. Frankfurt's DE-CIX is the world's largest internet exchange point. Messe Frankfurt is one of the world's largest trade fairs. Major fairs include the Frankfurt Motor Show, the world's largest motor show, the Music Fair, and the Frankfurt Book Fair, the world's largest book fair.

Frankfurt is home to influential educational institutions, including the Goethe University, the UAS, the FUMPA, and graduate schools like the Frankfurt School of Finance & Management. Its renowned cultural venues include the concert hall Alte Oper, Europe's largest English theatre and many museums (e.g. the Museumsufer ensemble with Städel and Liebieghaus, Senckenberg Natural Museum, Goethe House, and the Schirn art venue at the old town). Frankfurt's skyline is shaped by some of Europe's tallest skyscrapers.
