SCIENTIFIC PROGRAM

August 10-11, 2017 at London, UK

Day 1

August 10, 2017

09:00-09:30	**Registrations**
09:30-10:00	**Opening Ceremony**

Keynote Forum

10:00-10:40	Keynote Presentation slot Available
	Networking & Refreshment Break
11:00-11:40	Contact visionscience@ophthalmologyconferences.org for Available Speaker Slots
11:40-12:10	Keynote Presentation slot Available

Session on: Vision Science and Ophthalmology

Session Introduction

Session Chair: TBA

Title: Colour vision in normal aging, congenital deficiency and retinal disease

Applied Vision Research Centre, School of Health Sciences, City University London, UK.

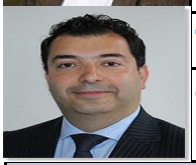

Title: Engineering Eyes for 20/10 and for Presbyopia Treatments

Krypton Vision, Inc., Fremont, CA , USA

Title: So how can we really bring vision correction to two to three billion people ?

University of Oxford and Centre for Vision in the Developing World, UK

Title: Ocular Surface Reconstruction: Current and Future

Cornea surgeon, The Eye Clinic London, UK

Lunch Break @ 13:40-14:25

Title: A Binocular Approach to Amblyopia

Vision Care Specialist, USA

Fawzia Bardag-Gorce

Title: Cultured Autologous Oral Mucosa Epithelial Cell Sheet (CAOMECS) For Corneal Epithelial Regeneration

Los Angeles Biomedical Research Institute at Harbor UCLA Medical Center. Torrance CA 90502. USA

Title: Corneoplastique(TM) as an art of vision surgery

Former Chief of Cornea and Refractive Surgery at University of Florida, USA

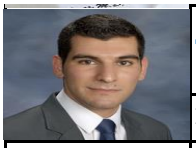

Title: The use of scleral lenses for the treatment of ocular and visual complications in an adult patient presenting with post-LASIK (Laser-Assisted in situ Keratomileusis)

Miami Contact Lens Institute, USA

Title: Evaluation and clinical implication of fractional CO2 laser to non-invasively treat lower lid laxity: A retrospective review

Research Director, Toyos Clinic, USA

	Title: The role of Intracameral Moxifloxacin for Prophylaxis of Postoperative Endophthalmitis
	Dept. of Ophthalmology, McGill University, Montreal, QC, Canada
Ricardo Flores M	Title: Minimum Appreciable Difference in Subjective refraction in low vision
	México
	Title: Kertaoconus as a childhood disease.
	Cornea surgeon, The Eye Clinic London, UK

Speaker Slot Available

Contact vasculardementia@neuroconferences.com for Available Speaker Slots

Session Discussion

Networking & Refreshment Break

Session on: Vitreo-retinal

Session on: Visual Neuroscience

Session Introduction

Session Chair: TBA

	Title: A comparison of None-staining of the internal limiting membrane vitrectomy outcomes for high myopic patients with macular hole (MH) and control patients with idiopathic MH
	He Eye Specialist Hospital, He University, PRC, China
	Symposium on: DMEK: The state-of-the-art in endothelial keratoplasty
	Cornea surgeon, The Eye Clinic London, UK
	Title: JUMAT Orbit Implant
	CEPROC Centro Prótesis Oculares y Contactología especializada. Mendoza. Argentina
	Title: A study of Transprk in the Refractive Surgery
	IREO international, Brazil

Speaker Slot Available

Day 2

August 11, 2017

Keynote Forum

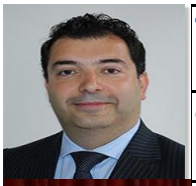

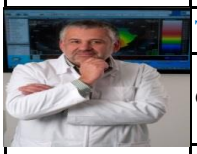

09:30-10:15	Keynote Presentation slot Available
10:15-11:00	Contact visionscience@ophthalmologyconferences.org for Available Speaker Slots

Networking & Refreshment Break

Session on: Oculoplasty

Session on: Colour Vision, Visual NeuroScience

	Title: Expression of Thy1 in rat retinal ganglion cell cultures is regulated by LEDGFp52
	He Eye Specialist Hospital, He University, PRC, China
	Symposium on: Scleral Prosthetic Lenses
	CEPROC Centro Prótesis Oculares y Contactología especializada. Mendoza. Argentina

	Title:Dry eye disease: Challenges and opportunities
	Cornea surgeon, The Eye Clinic London, UK
	Title: Communication within the exercise of the profession: the importance of not relying on the internet
	Founder and Director, Lenticon, Argentina
	Title: Management of Limbal Stem Cell Deficiency. Historical Perspectives: Past, Present and Future
	EX-PRESIDENT, National University of Rosario, Argentina
Contact visionscience@ophthalmologyconferences.org for Available Speaker Slots	
Lunch Break @13:20-14:00	
Session on: Pathophysiology and Disease Mechanism	
Session Introduction	
	Workshop on: Ocular Surface
	EX-PRESIDENT, National University of Rosario, Argentina
	Title: New perspectives in non-invasive keratoconus treatment: single or conbined surgical strategy to improve vision through cornea reshaping.
	Eye Center Catanzaro, Magna Graecia University, Catanzaro
	Title: Management of Severe Eye Trauma and Retained Intraocular Foreign Bodies (IOFBs).
	Senior Vitreo-retinal surgeon, Jordanian Hospital, Jordan
	Title: Mana autologous DNA and stem cell treatment
	Dr. Agarwal's Eye Hospital, India
Saleh Salman Ba-Saleh	Title: Visual Contrast Sensitivity by Achromatic and Mon- Chromatic Light using Complementary Projector in Retinal and Macular diseases
	Egypt
	Title: Contact lenses in Irregular Cornea: what is the key?
	Contact lens specialist, Chile
Girjesh Kain	Title: POST PHACOEMULSIFICATION CYSTOID MACULAR EDEMA ASSESMENT WITH OPTICAL COHERENCE TOMOGRAPHY
	Consultant Ophthalmic Surgeon in District Eye Hospital Moradabad UP INDIA
Victor Gar'kavenko	Title: DEVELOPMENT OPTOELECTRONIC HARDWARE – PROGRAM COMPLEX FOR THE ANALYSIS OF HYPOXIA IN THE ANTERIOR EYE CAMERA IN PERSONS WEARING CONTACT LENSES
	Krasnoyarsk, Partizana Zheleznyaka, Russia
Heba M. Fouad	Title: Comparison between medial rectus pulley fixation and augmented recession in children with convergence excess and variable angle infantile esotropia
	Cairo University Faculty of Medicine, Cairo, Egypt
Sankalp Rao	Title: SURGERY WITH FIBRIN GLUE VERSUS SUTURING OF AUTOCONJUCTIVAL GRAFT

	Ophthalmologist, India
Shweta Kosamia	Title: To study the clinical profile of patients presenting with pseudoexfoliation
	Ophthalmology, India
Ashraf Al-Hussaini	Title: YAG laser treatment of posttraumatic implantation iris cyst
	Ophthalmology, Egypt
Ashraf Al-Hussaini	Title: Systemic, subconjunctival and topical corticosteroids for the management of sterile corneal peripheral ring infiltrate following uneventful phacoemulsification. Report of a case.
	Ophthalmology, Egypt

Speaker Slot Available

Session Discussion

Networking & Refreshment Break

Poster Presentations

	Title: New treatment with Plasma Exeresis for non- surgical blepharoplasty
	Eye surgeon – Oculoplastic, President of Hellenic Society of Aesthetic Medicine and Non Invasive Surgery, Prof of University of Camerino for Aesthetic Medicine, Greece
	Title: Hitting the Bullseye: Computer Models for Treating Vision Disorders
	Research student, School of Optometry and Vision Sciences, Cardiff University, UK
Joy Sheril R. Penilla	Title: Optic neuropathy secondary to a dolichoectatic arterial compression of the prechiasmal optic nerve
	Department of Health Eye Center-East Avenue Medical Center, Quezon City 1100, Philippines
Aline Sudoski	Title: EVALUATION THE SATISFACTION IN PATIENTS SUBMITTED TO THE SURGERY OF PHACOEMULSIFICATION AND IMPLANT OF MULTIFOCAL INTRAOCULAR LENS
	Ophthalmologist, Brazil
	Title: The hydraulic strength of the lachrymal film.
	Member of the Latin American association of specialized contact lens, Spain
Arif Bashir	Title: 2016: An epidemic of dead eyes in Kashmir
	M.Sc (Clinical Biochemistry), M. Phil (Biochemistry), UGC (CSIR) NET
	Title: Stromal lenticule transplantation for management of corneal perforations; one year results
	Lecturer-of Ophthalmology Department- Menoufia University Hospitals, Egypt
Giuliano Pires	Title: REFRACTIVE USE OF INTRASTROMAL RINGS IN KERATOPLASTY.
	Hospital Oftalmologico de Sorocaba, Brazil
Jesús Vera	Title: A pilot study of the sensibility of tear osmolarity to maximal incremental physical effort in military helicopter combat pilots: the influence of fitness level
	Optics Department, University of Granada, Spain.

Johnny Gayton	Title: Effect of Early Phenylephrine and Ketorolac Injection 1% / 0.3% (Omidria®) Usage on Pupil Diameter in Traditional and Femto-Assisted Cataract Surgery
	Eye Sight Associates, USA
	Title: Comparative study between conventional external dacryo-cystorhinostomy and transconjunctival dacryocysto-rhinostomy for management of primary acquired naso-lacrimal duct obstruction
	Ophthalmology department, faculty of medicine, Cairo university
	Poster Presentation Slot Available
