Dear Attendees,

We are glad to announce the 20th International congress on Vision Science and Eye to be held in Zurich, Switzerland from August 29-30, 2018 organized by Conference Series LLC, USA in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Vision Science and Eye Studies will be available to discuss with you the latest issues and trends in Unveiling the emerging research for delivering effective Eye Care.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Vision Science and Eye Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Zurich this August 2018.

Sincerely,
Vision Science 2018
Organizing Committee

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be
published inrespective Conference Series LLC Journals
Each abstract will be provided with digital Object Identifier by Crossref

About Conference

Vision Science and Eye 2018 Conference website is attracting 25000+ Optometrists, Ophthalmologists, Opticians, online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Vision Science and Eye 2018 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Vision science and Eye present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

About Conference

Vision Science 2018

Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in Vision Science and Eye
- Discuss and apply recent research findings related to Vision Science and Eye
- Reflect on the place of critical distance in Vision Science and Eye

Who should attend

20th International Congress on Vision Science and Eye is exclusively designed for Optometrists, Ophthalmologists, Eye care Specialists, Opticians, Medical Directors, Eye Care Organizations, and vision science specialists, occuloplastic specialists and others engaged in endeavors related to Vision Science and Eye research and business.

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

MajorSessions

- Vision and Cognition
- Ocular Biomechanics
- Visual Perception
- Keratoconus
- Colour Vision
- Dry eye
- Ocular Oncology
- Vitreo-retinal
- Binocular vision
- Oculoplasty & Orbital Diseases
- Vision Therapy
- Retinal Detachment
- Glaucoma
- Blepharitis
- Eye surgery and Anesthesiology
- Strabismus
- Dispensing Opthalmology
- Ocular Inflammation & Immunology
- visual perception
- Ophthalmic Genetics
- Diabetic ophthalmology care
- Refractive Disorders and Treatment
- Novel ocular therapies
- Orbital Disorder, Oculoplastic and Lacrimal Surgery

About Zurich

Zurich is the biggest city in Switzerland and the capital of the canton of Zürich. It is situated in north-focal Switzerland at the northwestern tip of Lake Zürich. The district has around 400,028 tenants, the urban agglomeration 1.315 million and the Zürich metropolitan territory 1.83 million. Zürich is a center point for railroads, streets, and air activity. Both Zürich Airport and railroad station are the biggest and busiest in the nation.

Forever made due with around 2000 years, Zürich was established by the Romans, who, in 15 BC, called it Turicum. Notwithstanding, early settlements have been discovered going back over 6400 years ago. During the Middle Ages, Zürich picked up the autonomous and favored status of majestic instantaneousness and, in 1519, turned into an essential focal point of the Protestant Reformation in Europe under the authority of Huldrych Zwingli.

The official dialect of Zurich is German, however the fundamental talked dialect is the nearby variation of the Alemannic Swiss German lingo.

Numerous historical centers and workmanship displays can be found in the city, including the Swiss National Museum and the Kunsthaus. Schauspielhaus Zürich is a standout amongst the most imperative performance centers in the German-talking world.

Zürich is a main worldwide city and among the world's biggest money related focuses notwithstanding having a moderately little population. The city is home to a substantial number of budgetary foundations and managing an account goliaths. The vast majority of Switzerland's innovative work focuses are packed in Zürich and the low expense rates draw in abroad organizations to set up their central command there.
