INVITATION

Dear Attendees,

We are honored to welcome you to the 5th World Congress on Sustainable Waste Management, taking place May 28–29, 2026, in Madrid, Spain, under the theme "Innovations in Waste Management for a Greener Tomorrow"

This international forum will unite leading researchers, environmental scientists, policymakers, industry experts, and innovators to exchange knowledge, showcase sustainable technologies, and explore future directions in waste reduction, recycling, energy recovery, and circular economy solutions.

Set in the vibrant city of Madrid, the congress will feature keynote addresses, interactive sessions, hands-on workshops, and networking opportunities designed to inspire collaboration and drive sustainable action worldwide.

We warmly invite you to be part of this journey toward a cleaner, greener, and more sustainable future.

We look forward to welcoming you to Madrid in May 2026 for a transformative experience.

Warm regards,
Organizing Committee

ABOUT VENUE

CITY ATTRACTIONS

Madrid, the capital of Spain, is a vibrant city known for its rich history, culture, and economic significance. With a population of around 3.3 million in the city and 6.8 million in the metropolitan area, it is the largest city in Spain. The city experiences a Mediterranean climate with hot summers and mild winters.

Madrid is home to iconic landmarks such as the Royal Palace, Prado Museum, Plaza Mayor, and Puerta del Sol, attracting millions of tourists each year. The bustling Gran Vía is a hub for shopping and entertainment, while Retiro Park offers a green escape in the city center. Football is a major passion, with Real Madrid CF and Atlético Madrid being two of the world's most famous clubs.

As Spain's financial center, Madrid houses the Madrid Stock Exchange and headquarters of numerous multinational companies. The city also thrives in tourism, technology, and fashion industries. Its well-connected Metro system, high-speed trains (AVE), and Adolfo Suárez Madrid-Barajas Airport make travel convenient.
