4th Webinar on

Food Technology

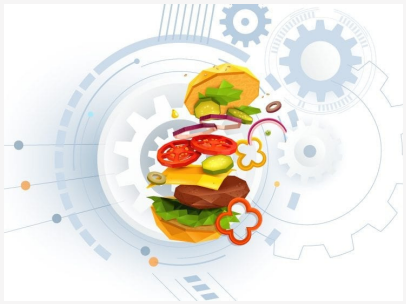

February 23, 2022

Accelerating Research and Innovation in Food Technology

INVITATION TO FOOD TECHNOLOGY 2022

We look forward to seeing researchers from all around the world to participate in the 4th webinar on Food Technolgy on February 23, 2022. Food Technology 2022 is the premier international forum to present and discuss progress, research, development, and application of the major topics related to Food Science and Technology.

The 2022 edition of the summit will offer high-quality and relevant research sessions, e-poster sessions and presentation for the better understanding of the subject. The conference agenda has been prepared by the scientific committee to enable the exchange of ideas and to expand the network with leading experts and researchers during the summit.

Food Technology 2022 be a great meeting point for sharing the latest research papers of academics as well as to experience the matchless virtual environment.

We look forward to your participation.

Sincerely,
Organizing Committee
