6th webinar on Microbiology

February 22, 2022

Webinar is an online seminar that turns a presentation into a real-time conversation from anywhere in the world. Webinars allow large groups of participants to engage in online discussions ortraining events and share audio, documents or slides – even when they're not in the same place as the meeting host or in the same room where the event or presentation is taking place.

Why to Attend:

1. Constant source of fresh ideas and insights from Peers
2. Affordability
3. Increasing Connections
4. Certification and Recognition
5. Visibility of Profile across world
6. Creation one web page for each participant
7. Interactive
8. No Travel Required

Sessions:

- Medical Microbiology
- Microbial Biochemistry
- Dynamics and Consequences of Antimicrobial Resistance
- Molecular and Pharmaceutical Microbiology
- Antimicrobials and Chemotherapy

Registration Prices:

Speaker Registration $299

DelegateRegistration$349
