WELCOME ADDRESS

Dear Attendees,

The Wireless 2023 Organizing Committee is absolutely delighted to welcome you to the **9th International Conference on Wireless, Telecommunication & IoT** which will be held in **Vancouver, Canada** on **July 31- August 01, 2023,** where we will be shining a spotlight on *"Wireless Waves, Telecommunication Trends, and IoT Innovations: The Confluence of Connectivity"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Network research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in major economic center Vancouver, a bustling west coast seaport in British Columbia, is among Canada's densest, most ethnically diverse cities. A popular filming location, it's surrounded by mountains, and also has thriving art, theatre and music scenes. Vancouver Art Gallery is known for its works by regional artists, while the Museum of Anthropology houses preeminent First Nations collections.

We look forward to seeing/welcoming you in 2023 for an experience of a lifetime.

With Regards
Wireless 2023
Organizing Committee

ABOUT US

About Hosting Organization

Conference Series LLC Ltd is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Wireless 2023 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Wireless 2023 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Wireless, Telecommunication and Information of Things.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Wireless, Telecommunication and Information of Things.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs.

About Conference

9th International Conference on Wireless, Telecommunication & IoT is among the World's leading Scientific Conference. The two day event on Wireless will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Wireless, Telecommunication and Information of Things. The top forum for Business Professionals, Scientists, Professors, Directors of companies, Delegates, Industrialists, Researchers and Students in the field of Wireless & Telecommunication to exchange information on their latest research advancement and with the theme of "Wireless Waves, Telecommunication Trends, and IoT Innovations.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Wireless provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Wireless 2023**.

ABOUT CONFERENCE

Who Should Attend?

Wireless 2023 Conference website is attracting 56000+ Professionals, Scientists, Professors, Directors of companies, Delegates, Industrialists, Researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- 5G and Beyond
- Telecommunication
- Wireless Communication
- Internet of Things (IoT)
- Ad Hoc and Sensors Networks
- Technology for Wireless
- Mobile and Wireless Network
- Satellite Communication
- Optical Communications
- Microwave Communication
- Remote Sensing
- Radar Technology
- Radio Broadcasting
- Antennas
- Digital Signal Processing
- Cloud Computing
- Big Data
- Real Time Embedded Systems

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Ocky Karna Radjasa
Diponegoro University, Indonesia

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Peng Tian
United States Department of Agriculture, USA

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Zhiheng Pei
New York University School of Medicine, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Guan Yuntao
Tsinghua University, China

The conference was well organized and the committee was outstanding in keeping the whole event lively.

Haifeng Jia
Tsinghua University, China

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Hui Wang
Tsinghua University, China

ABOUT VANCOUVER

In the Lower Mainland of British Columbia, Vancouver is a significant city in western Canada. The city has 662,248 residents according to the 2021 Canadian census, an increase from 631,486 in 2016. It was the province's most populous city. The Greater Vancouver region was the third-largest metropolitan area in Canada in 2021 with a population of 2.6 million. The Lower Mainland, which includes Greater Vancouver and the Fraser Valley, has a population of more than 3 million people. With more than 5,700 inhabitants per square kilometer, Vancouver has the fourth-highest population density in North America and the highest in Canada.

One of the most linguistically and ethnically diverse cities in Canada is Vancouver, where 54.5 percent of citizens identify as members of visible minorities and 49.3 percent of residents do not use English as a first language. It consistently ranks as one among the world's and Canada's most livable cities. Vancouver is one of the most expensive cities in both Canada and the globe in terms of housing affordability. Vancouver wants to become the world's greenest city. Vancouver's is the city's approach to urban design and development. A popular filming location, it's surrounded by mountains, and also has thriving art, theatre and music scenes. Vancouver Art Gallery is known for its works by regional artists, while the Museum of Anthropology houses preeminent First Nations collections.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
events@conferenceseries.com

Academic

Only Registration: € 599
Package A (Registration + 2 Nights Accommodation) : € 899
Package B (Registration + 3 Nights Accommodation) : € 1049

Business

Only Registration: € 699
Package A (Registration + 2 Nights Accommodation) : € 999
Package B (Registration + 3 Nights Accommodation) : € 1149

Student

Student Delegate: € 399
Young Researcher Forum: € 499

Important Dates

Abstract submission opens: September 30, 2022
Registration opens: September 30, 2022
On spot registration: August 02, 2023

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
