Invitation

Dear Colleagues,

Conference Series LLC Ltd welcomes you to "12th World Conference on Women Health Science and Care" (Women Health-2020). This international event is going to showcase many facts and diversities in the field of Women Health and Health care. Women Health-2020 has been slated during September 14-15, 2020 in the beautiful city of Tokyo, Japan. This would be a two day congress with an expertise gathering of Obstetricians, Physicians, Breast Cancer Surgeons, Oncologists, Gynaecologist doctors, young researchers as well as people who dedicated their work for women health and care on a single global platform at Tokyo.

This 12th World Conference on Women Health Science and Care is based on the theme "Lets talk about best approaches in Women Health".

To recognize the Young Researchers and expert individuals exhibited outstanding research in the area of Gynaecology, Obstetrics, Reproductive Medicines, and other related expertise of Women's Health. Women Health-2020 Conference is planned to present the Young Research award through its Young Researcher Forum (YRF), Best Poster Award, and Best Presentation Award.

With Regards,

Women Health-2020 Operating Committee
