Bangkok Attractions

Bangkok, Thai Krung Thep, city, capital, and main port of Thailand. It is the only cosmopolitan city in a country of small towns and villages, and it is the cultural and commercial center of Thailand.

Bangkok is located on the Chao Phraya River Delta, approximately 40 km from the Gulf of Thailand. It was once divided into two municipalities - Krung Thep on the east bank and Thon Buri on the west - connected by several bridges.

Tourism has increased dramatically and is now a major source of income in Bangkok.

The World Tourism Organization affiliated with the United Nations and recognized as the premier international body on world tourism declares that tourism is "the activities of people traveling and staying in places outside their usual environment for no more than a year. consecutive for leisure, business, and other purposes "(WTO 2011). Travel and tourism are very important economic activities in the world, and it is the largest service industry in the world (WTTC 2011).
