Women Oncology Conference 2019

July 17-18, 2019 | Atlanta, USA

INVITATION

Dear Attendees,

We are delightful to welcome you to the **Women Oncology Conference 2019** which is scheduled in the month of **July 17-18, 2019** at **Atlanta, USA** organized by Conference Series LLC Ltd in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Women Oncology 2019 invites people all over the world invariable of age to discuss the wonders happening in the ever-growing field of Cancer related to Women. This Conference also provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the field of Cancer among Women.

The main theme of the conference is "**A Perspective on Discovering the Art of Living with the Science of Health**" which will ignite young minds in searching a novel approach towards the marvels of sustainable future.

Knowledge is Application. This Knowledge gathering initiative focuses on Knowledge accumulation but also helps in practical approach towards future aspects in the fascinating arena of Women Women's Cancer

We look forward to personally welcoming you to **Atlanta** this **July.**

Sincerely,

Women Oncology 2019 | Organizing Committee

SPEAKER TESTIMONIALS

From what I have seen, the organization was very good. I am always impressed by the quality of presenters and the opportunity for contacts that can be made at the Conference Series LLC Ltd conferences.

Christian Drapeau
Chief Scientific Officer Stemtech International, Inc., USA

I have received very positive feedback from Chen Shen who presented our work in Chicago and got in contact with many different people interested in our research.

Simon Berkovich
The George Washington University, USA

I am protectively pleased with cell and stem cell biology meeting which i find to be an extraordinarily international.

Paul J Davis
Albany Medical College, USA

I just want to say how much I enjoyed the meeting in New York. I always find the meetings ex¬tremely stimulating and very interactive. The quality of the presentations is very good and some of them are very thought-provoking. In general, all your meetings I attend are of high quality.

Diana Anderson
University of Bradford, UK

It was a pleasure being here in the New York meeting, you guys put on a lot of conferences, you have a really bright people and a lot of very interesting new innovations coming forward and it is a pleasure for me to share my clinical experience with you all. Thank you for having me.

Mark Berman
University of Southern California, USA

Interesting about this conference is that there are scientists and especially professionals from many different countries.

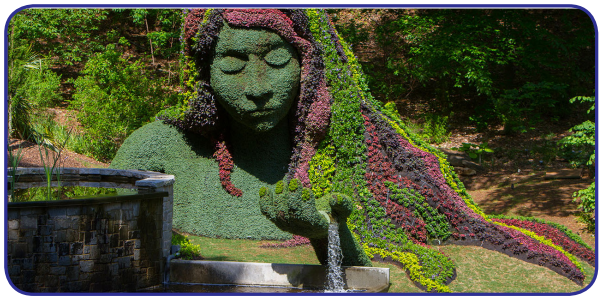

Esmaiel Jabbari
University of South Carolina School of Engineering, USA
