INVITATION

FOR CONFERENCE

DEAR COLLEAGUES,

Conferenceseries LLC Ltd honourably welcomes people from all walks of life who are interested in Womens Health Research and women oncology to attend the 6th International conference on Women Oncology during July 27-28, 2023 at Vancouver, Canada and to share the experiences and lessons with other enthusiasts, and develop opportunities for cooperation.

Main theme of the conference is “One step towards improving Women’s health and combating cancer”
Women oncology - 2023 is a distinctive congregation to bring together globally prominent academicians, Women Health researchers, public health professionals, scientists, academic scientists, industry researchers, scholars in the field of women oncology and women’s health to commute about state of the art research and technologies. The Conference will feature many exciting academic programs including multiple panels, workshops, symposiums, affinity group lunches, PowerPoint presentations, and scientific sessions by apparent researchers from all over the country. World-renowned speakers, the most recent techniques, advanced developments, and the latest updates are the pinnacles of this conference.

Keynote conclaves by eminent researchers | Top Industry Representations | provocative Symposia’s and Workshops Preconference workshops in all major countries | Group Registration benefits

We are looking forward to meet you at Women oncology - 2023 in Vancouver, Canada
