- Connecting scientific community

About Sydney, Australia

Sydney is home to some of Australia's most noticeable Universities, and is likewise the site of Australia's first college, the University of Sydney, set up in 1850. There are five other public universities operating primarily in Sydney; Macquarie University, the University of New South Wales, the University of Technology, Sydney, the University of Western Sydney, and the Australian Catholic University. Other universities which operate secondary campuses in Sydney include the University of Notre Dame Australia, University of Wollongong and University of Newcastle.

Tourism assumes a noteworthy part in Sydney's economy, being the third-most well-known goal for global vacationers after Melbourne and Brisbane. The city got 7 million nearby visitors and 8.2 million worldwide visitors in year completing December 2016; making it the 42nd most went to city on the planet. The most prevalent attractions fuse the Sydney Opera House, and the Sydney Harbor Bridge. Distinctive attractions consolidate the Sydney Mardi Gras, Royal Botanical Gardens, Luna Park, the shorelines and Sydney Tower.
