Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

Best Tourist Destinations in Sydney

About Sydney

Sydney, the Capital State of New South Wales and the Most Populous City in Australia and Oceania. Located on Australia's East Coast, The Metropolis Surrounds the World's Largest Natural Harbor and Sprawls about 70 Km (43.5 mi) on its periphery towards the blue mountains to the west, Hawkesbury to the north and Macarthur to the south. In addition to hosting events such as the 2000 Olympics, Sydney is amongst the top fifteen most-visited cities in the world, with millions of tourists coming each year to see the city's landmarks. Its natural features include Sydney Harbor, the royal national park, and the royal botanic garden. Man-made attractions such as Sydney Tower, The Sydney Harbor Bridge, and the Sydney opera house, are also well known to international visitors.
