Invitation

Dear Attendees,

We are glad to announce the 13th World Biomarkers Congress to be held in Dublin, Ireland from November 29-30, 2018 organized by Conference Series llc LTD, UK in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. We cordially invite all the participants who are interested in sharing their knowledge and Research in the arena of Oncology & Cancer Research. World Biomarkers 2018 anticipates more than 120 participants around the globe with thought provoking Keynote lectures, Oral Presentations and Poster Presentations. The attending delegates include Editorial Board Members of related Conference Series International Journals. This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists. The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer. The main theme of the conference is "Role of Biomarkers in Early Detection and Prevention of Disease".

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the World Biomarkers 2018 Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to **Dublin this November.**

Sincerely,
World Biomarkers 2018
Organizing Committee

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook fans Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be
published inrespective Conference Series llc LTD Journals
Each abstract will be provided with digital Object Identifier by Crossref

About Conference

World World Biomarkers 2018 is the main event that brings together a unique and international experts, scientists and decision makers both from academia and industry across the world to exchange their knowledge, expertise and research innovations in the arena of cancer treatment. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts andresearch profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

World Biomarkers 2018 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- To deliver an unparalleled passage and international visibility for professionals & researchers and their work in the expertisefield.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

About Conference

Objectives

Discuss progress in exploration, expansion, ideals, and applications of the topics related to the Biomarkers.

- Study new Research discovery the expertise field.
- Generate a prime education in the field of Cancer Research

Who should attend

World Biomarkers 2018 is the main event that brings together a unique and international experts, scientists and decision makers both from academia and industry across the world to exchange their knowledge, expertise and research innovations in the arena of cancer treatment. This pinnacle brings together the senior level experts with a perfect blend for multidisciplinary collaboration between innovators, scientists, academicians from all over the world working in the different field of Cancer & Oncology Research.

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

Major Sessions

- Biomarkers
- Cancer Biomarkers
- Clinical Biomarkers
- Biomarkers and Non-Cancerous Disease
- Biomarker Detection and Discovery
- Advances of Biomarker Testing
- Biomarkers and Personalised Medicine
- Cancer Bioinformatics and Biomarkers
- Biomarkers and Diagnostic Comapanies
- Pharmacodynamic Biomarkers
- Pathology and Diagnosis
- Diasease Diagnosis

About Dublin

Dublin, capital of the Republic of Ireland, is on Ireland's east coast at the mouth of the River Liffey. Its historic buildings include Dublin Castle, St Patrick's Cathedral founded in 1191. City parks like St Stephen's Green and huge Phoenix Park, containing Dublin Zoo.Dublin is the birthplace of authors including Oscar Wilde, James Joyce and Samuel Beckett. 9th-century illuminated manuscript , the Book of Kells is displayed at Trinity College. Temple Bar is a riverside nightlife and cultural quarter.

Ireland's traditional folk music, Vibrant independent shops, a buzzing creative scene, and a well-tuned sense of design has put Dublin centre-stage as one of Europe's most dynamic destinations for local craft and celebrated fashion. Dublin – you'll find bloody history, strange legends, castles, hills and even a glimpse of Italy along the shoreline Dublin boasts beautiful surrounding landscapes, from lush green mountains to the blue Irish Sea. Here's how to enjoy them to the full with a walk to suit every taste.
