Glimpses

BERLIN

BERLIN

Surface Treatment of PMMA with argon plasma-jet: A pilot study

BERLIN
Hotel Hamburg

Major Scientific Sessions

- Medical Biotechnology & Biomedical Engineering
- Biochemistry and Molecular Biology
- Genetics and Tissue Science & Engineering
- Bioprocess Technology & Industrial Biotechnology
- Pharmaceutical Biotechnology
- Biotechnology in Healthcare
- Food Processing & Technologies
- Animal Biotechnology
- Plant Biotechnology & Agricultural Biotechnology
- Nano Biotechnology
- Biosensors & Bioelectronics
- Bio-Safety and Bioethics
- Biotechnology Companies and Market Report

Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

About Sao Paulo

Having the largest economy by GDP in Latin America and Southern Hemisphere, the city is home to the São Paulo Stock Exchange. Paulista Avenue is the economic core of São Paulo. The city has the 8th largest GDP in the world, representing alone 10.7% of all Brazilian GDP and 36% of the production of goods and services in the state of São Paulo, being home to 63% of established multinationals in Brazil, and has been responsible for 28% of the national scientific production in 2005.

The metropolis is also home to several of the tallest buildings in Brazil, including the Mirante do Vale, Banespa, North Tower and many others. The city has cultural, economic and political influence both nationally and internationally. It is home to monuments, parks and museums such as the Latin American Memorial, the Ibirapuera Park, Museum of Ipiranga, São Paulo Museum of Art, and the Museum of the Portuguese Language. The city holds events like the São Paulo Art Biennial, the Brazilian Grand Prix, São Paulo Fashion Week and the ATP Brazil Open. São Paulo hosts the world's largest gay pride parade. It is headquarters of the Brazilian television networks Band, Gazeta, Record and SBT.

São Paulo is a cosmopolitan, melting pot city, home to the largest Arab, Italian, and Japanese diasporas, with examples including ethnic neighborhoods of Mercado, Bixiga, and Liberdade respectively. São Paulo is also home to the largest Jewish population in the country and one of the largest urban Jewish populations in the world. In 2016, lived in the city native inhabitants from 196 different countries. People from the city are known as paulistanos, while paulistas designates anyone from the state, including the paulistanos. The city's Latin motto, which it has shared with the battleship and the aircraft carrier named after it, is Non ducor, duco, which translates as "I am not led, The city, which is also colloquially known as Sampa or Terra da Garoa (Land of Drizzle), is known for its unreliable weather, the size of its helicopter fleet, its architecture, gastronomy, severe traffic congestion and skyscrapers. According to a report from 2011, São Paulo was expected to have the third highest economic growth in the world between 2011 and 2025, after London and Mexico City. São Paulo was one of the host cities of the 1950 and the 2014 FIFA World Cup. Additionally, the city hosted the IV Pan American Games and the São Paulo Indy 300.
