INVITATION

Dear Attendees,

Conference Series welcomes you to attend the European conference on Dental Health during August 21-22, 2023. The theme of this year's meeting is "Dental Health: Vibrating smiles for healthy lifestyle" which will provide an international platform for discussion of present and future challenges in oral health, dental education, continuing education and expertise meeting.

World-leading dental health practitioners, clinicians, doctors, educators and researchers will present cutting-edge and practical clinical techniques based upon widely accepted evidence and will introduce new and emerging research.

The world congress is to discuss the latest techniques, improvements, and the most current updates on Dentistry. This will be your best opportunity to achieve the biggest gathering of members from the Dental group. Lead introductions, interaction, disseminate data, meet with present and potential specialists, make a splash with new improvements, and get name acknowledgment at this congress. Proceeding with dental training guarantee that the dental practitioners are given the most recent symptomatic, preventive and treatment techniques in the business

World Dental Health 2023 includes advanced workshops on dentistry, lectures and symposia, a refreshment break. Dentists can meet and join their experts and can connect with worldwide international professionals through our event and can make or grow their connection stronger. So come and join leading experts and professionals to keep up with the rapidly accelerating pace of change that is already having an impact on the field of dentistry & oral care and to continue to in the future.

We look forward to personally welcoming you to our conference!

Sincerely,
WORLD DENTAL HEALTH 2023
Organizing Committee
