INVITATION

Dear Attendees,

Conferenceseries welcomes you to attend the International Congress on Dentistry during March 02-03, 2023 Dublin, Ireland. The theme of this year's meeting is "Novel Approaches for the future of Dental and Oral Health Care" which will provide an international platform for discussion of present and future challenges in dental education, oral surgery, continuing education and expertise meeting.

World-leading health practitioners, clinicians, educators and researchers will present cutting-edge and practical clinical techniques based upon widely accepted evidence and will introduce new and emerging research.

The world congress is to discuss the latest techniques, improvements, and the most current updates in Dentistry. This will be your best opportunity to achieve the biggest gathering of members from the Dental group. Lead introductions, interaction, disseminate data, meet with present and potential specialists, make a splash with new improvements, and get name acknowledgment at this congress. Proceeding with dental training guarantee that the dental practitioners are given the most recent symptomatic, preventive and treatment techniques in the business

The world congress 2023 includes advanced workshops on dentistry, lectures and symposia, including a designated registration area, a refreshment break and gala lunch. Dentists can join the Conferenceseries. as an international delegate to receive discounts on registration. So come and join leading experts and allied professionals to keep up with the rapidly accelerating pace of change that is already having an impact on the field of dentistry & oral care, and will continue to in the future.

We look forward to personally welcoming you to our conference!

Sincerely,
World Dentist Meet-2023
Organizing Committee
