Purpose

32nd Annual World Dental Summit is an arena for interdisciplinary exchange among professionals in the fields of Dentistry and Dental research.

Goals

The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through

Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Dentistry and Dental Research present the most recent research findings, and promote and enhance scientific collaborations around the world

Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

Objectives

After participating in this meeting, attendees should be able to

Discuss emerging issues in Dentistry

Discuss and apply recent research findings related to Dentistry

Reflect on the place of critical distance in Dentistry

About Boston

Boston
USA
Aug 31-Sep 01
2018

Boston is one of the oldest cities and is the capital and most populous city of the Commonwealth of Massachusetts in the United States. It has become the latest city to commit to running on 100% renewable energy. Its plenty of museums, historical sights and abundance of live exhibitions for these reason the city gets 16.3 million visitors a year, making it one of the ten most prominent visitor areas in the nation. Boston is surrounded by the "Greater Boston" region. Boston is sometimes called a "city of neighbourhoods" as a result of the bounty of differing subsections; the city government's Office of Neighborhood Services has authoritatively assigned 23 neighbourhoods. Boston has a humid continental climate. Boston's schools and colleges apply a huge effect on the territorial economy. Boston pulls in more than 350,000 understudies from around the globe, who contribute more than US$4.8 billion every year to the city's economy. Boston has been known as the "Athens of America" for its abstract culture, procuring notoriety for being "the scholarly capital of the United States."

Major attractions in Boston: Freedom Trail, Faneuil Hall, Beacon Hill, Harvard Square and Harvard Art Museums, Copley Square, Boston Pops and Boston Symphony Orchestra, Boston Harbour, New England Aquarium, John F. Kennedy Presidential Library and Museum.
