Welcome Message

Dear Colleagues, Scientists and Friends,

The Organizing Committee is delighted to invite you to attend the 17th World Dermatology Congress, to be held during September 25-26, 2017 in Dubai,UAE. The World Dermatology Congress 2017 brings together scientists, researchers, industry and CRO representatives from around the world.

World Dermatology is expected to experience an exponential growth over the coming few years. Many new dermatologists are making their entry in the pharma market and experiencing a notable rise in their usage compared with the conventional medications.

The 17th World Dermatology Congress will present multiple aspects through a decade in Asia to the latest developments in the field of Dermatology. The whole range of portfolio selection, development, regulatory requirements and marketing will be presented. You can join your peers from around the world focused on learning and related advances, which is your single best opportunity to reach the largest assembly of participants from the Dermatology community, conduct demonstrations, distribute information, meet with professionals, make a splash with new research, and receive name recognition at this 2-day event.

The congress will provide enough space for discussion, meetings and workshops in order to allow a close contact between speakers and visitors.

We are looking forward to see you in Dubai,UAE

Invitation...

Dear Colleagues,

Conferenceseries LLC invites all the participants from all over the world to attend "17th World Dermatology Congress" during September 25-26 at Dubai, UAE which includes prompt keynote presentations, Oral talks, Poster presentations and Exhibitions. Why to Attend???

Join your peers around the world focused on learning about World Dermatology related advances, which is your single best opportunity to reach the largest assemblage of participants from the World Dermatology community, conduct demonstrations, distribute information, meet with current and potential professionals, make a splash with a new research works, and receive name recognition at this 2-day event. World-renowned speakers, the most recent research, advances, and the newest updates in World Dermatology are hallmarks of this conference.

At World Dermatology 2017 meet your target audiences from around the world focused on learning about Dermatology. This conference would be your single best opportunity to reach the largest assemblage of participants from the World Dermatology community.

Abstract Information: Oral / Poster Presentation Guidelines

Oral Presentations are generally split into TWO categories, as follows:

1. Plenary Lectures
   - Each Plenary lecture is 25 minutes in length and comprises one presentation. We recommend you plan to present for approximately 20 minutes with 5 minutes for questions/discussion.
   - Where Plenary Lectures are presented as debates, each of two speakers should plan to present for 20 minutes, allowing five minutes for closing questions and conclusions. We recommend that invited speakers communicate in advance of the Moderator so that presentations may be coordinated.
2. Oral Sessions
   - Each Oral Session is 60 minutes in length and comprises two presentations, of 30 minutes each. We recommend that you plan to present for approximately 15 minutes, allowing time for questions/discussion at the end of the presentation.

Please prepare you presentation in 16:9 format (screen are in format 16:9). We recommend you to save your PowerPoint presentation using PPT(X) format instead of PPS.

A technician is available in every session room to provide assistance when needed. Due to the online presentation system, all speakers are kindly requested to use provided PC onsite. Please be present in the session room 15 minutes prior the start of your session and follow the instructions from the Chairs and/or technician. During your presentation a remote control will be available for controlling your presentation. Please observe the time allotted to you as you will not be permitted to speak for longer time. At the end of the Congress, all presentations will be deleted from the presentation system and computers on-site.

Speaker Preview Room

All speakers are asked to upload their presentation at the Speaker Preview Room (located in the Registration area) at least one hour before the beginning of the session or the day before in case of a morning session.

Poster Guidelines

The poster exhibition will be an integral part of Med Pharma Congress.

The poster exhibition will be located on the exhibition area of the congress centre. The area will be clearly signposted from the registration area.

Technical Instructions:

- Posters must be prepared in Portrait style.
- Please DO NOT prepare a landscape poster
- The dimensions should be 100 cm high by 70 cm wide
- Posters should be attached to the boards with stickers, which you will be supplied to the organizers.
- Poster session schedule Posters will be displayed and presented in session.

Please plan to be at your poster and available to answer questions from delegates at the time of your assigned poster session. Posters will be displayed according to the POSTER numbers given by the organizers and will be grouped by sub topic.

Young Researchers Forum

The Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers. Young Researcher Sessions are organized to provide a unique platform for Young Researchers/Investigators for presenting latest research projects with an in-depth analysis. Young Investigators (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty) are the focus of this event. Participants should be below the age of 33 years. All submissions must be in English. The prize winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

About Dubai

Dubai has emerged as a global city and business hub of the Middle East. Dubai was ranked 44th among the world's best financial cities and the world's 27th richest city in 2012. It is also an international financial centre and has been ranked 37th within the top 50 global financial cities and 1st within the Middle East. The city of Dubai is located on the emirate's northern coastline and heads up the Dubai-Sharjah-Ajman metropolitan area. The emirate of Dubai shares borders with Abu Dhabi in the south, Sharjah in the northeast, and the Sultanate of Oman in the southeast.

Cancer, which is now the third leading cause of death in the UAE (after cardiovascular disease and injury) causing 10% of all deaths in 2010 and 16% of all deaths in the emirate of Abu Dhabi during the same year. The incidence of all cancers is projected to double by 2020, primarily due to ageing and also possibly due to increased exposure to risk factors for cancer. Approximately 12.7 million cancer cases and 7.6 million cancer deaths are estimated to have occurred in 2008; of these, 56% of the cases and 64% of the deaths occurred in the economically developing world.
