Invitation…

Dear Colleagues, Scientists and Friends,

The Organizing Committee is delighted to invite you to attend the **19th World Dermatology Congress**, to be held during **May 07-08, 2018** in **Tokyo, Japan**. The World Dermatology Congress 2018 brings together scientists, researchers, industry and CRO representatives from around the world. World Dermatology is expected to experience an exponential growth over the coming few years. Many new dermatologists are making their entry in the pharma market and experiencing a notable rise in their usage compared with the conventional medications.

The **19th World Dermatology Congress** will present multiple aspects through a decade in Asia to the latest developments in the field of Dermatology. The whole range of portfolio selection, development, regulatory requirements and marketing will be presented. You can join your peers from around the world focused on learning and related advances, which is your single best opportunity to reach the largest assembly of participants from the Dermatology community, conduct demonstrations, distribute information, meet with professionals, make a splash with new research, and receive name recognition at this 2-day event. The congress will provide enough space for discussion, meetings and workshops in order to allow a close contact between speakers and visitors.

Conference will focus on the following topics during presentations of the Two day event, which refl ect current education research, developments and innovations internationally and as evidenced in both Nurse Education and Evidence Based Practice.

- Dermatology
- Skin Cancer
- Dermatological Diseases
- Skin Grafting
- Derma-Pathology
- Hair Transplantation
- Hair Transplant Surgery
- Venereology
- Contagious Skin Infections
- Side effects of cosmetics
- Rejuvenation and Resurfacing
- Microdermabrasion Treatment
- Treatment of Hyperpigmentation
- How Can Technology Help to Treat Melanoma?
- Aesthetic Surgical Procedures
