About Switzerland

Zurich, being located in the heart of Switzerland and in the center of Europe, is one of the most important financial centers in the world.

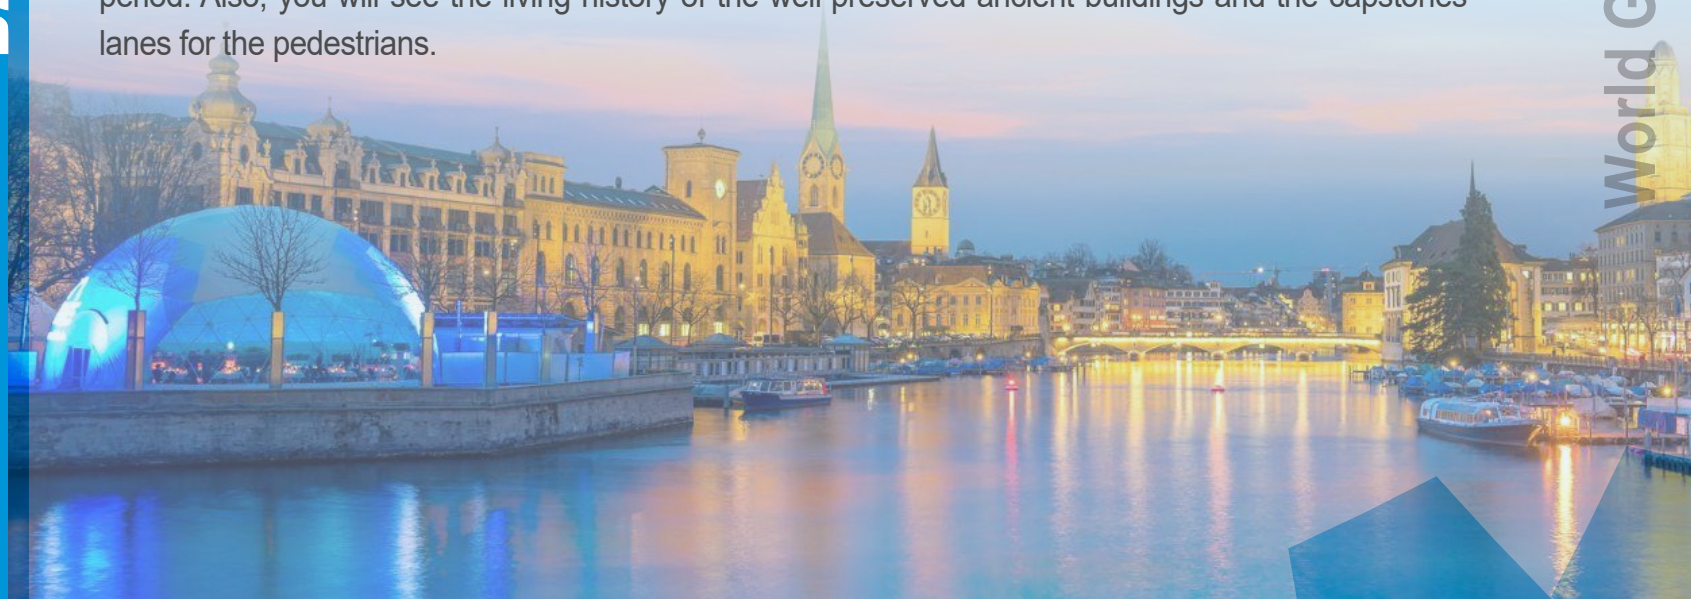

It has a unique mix of well-preserved Old Town and hectic modern life having a magnificent view of the snowy Swiss Alps. Zurich, according to recent studies, is considered as the highest standard of living in the world.

This charming compact city is situated on the picturesque northern shores of Lake Zurich with the Limmat River, which flows out of the lake and runs through the scenic of the town. It is truly a perfect location for beautiful photos. During good weather conditions, you can see across the lake the Swiss central Alps.

More than 1200 drinking water sources that spread within the city make Zürich one of the fountain richest cities in the world. In addition, public parks like the “Platzspitz” widely extend among the city area.

Zurich’s city center is the best place to start your Zurich tours. One can say that there is so much to see during Zurich tourism, that you will need to consider a rather long time while being in this city of wonders. About 50 museums and 100 art galleries will not let you be bored in this city of attractions.

While strolling in the Old Town “Altstadt” of Zurich, you will discover the secrets and beauty of Renaissance period. Also, you will see the living history of the well-preserved ancient buildings and the capstones lanes for the pedestrians.
