WELCOME ADDRESS

Dear Attendees,

The World Gastroenterology 2026 Organizing Committee is absolutely delighted to welcome you to the **20th World Congress on Gastroenterology -Therapeutics & Hepatology** which will be held in **Barcelona, Spain** on **April 20-21, 2026 ,** where we will be shining a spotlight on *"Advancing Innovations in Gastroenterology and Liver Care"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Gastroenterology research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities Barcelona, city and capital of Spain, situated in the north-central part of the country.. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2026 for an experience of a lifetime.

With Regards
World Gastroenterology 2026
Organizing Committee

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

World Gastroenterology 2026 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The World Gastroenterology 2026 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Gastroenterology.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Gastroenterology.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

20th World Congress on Gastroenterology - Therapeutics & Hepatology is among the World's leading Scientific Conference. The two day event on Gastroenterology will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Gastroenterology & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Gastroenterology conference which will comprises of 18 major sessions designed to offer comprehensive sessions that address current issues in various fields of Gastroenterology.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Gastroenterology provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **World Gastroenterology 2026**.

ABOUT CONFERENCE

Who Should Attend?

World Gastroenterology 2026 Conference website is attracting 56000+ physicians, Gastroenterologists, Hepetologists, Endoscopists, Oncologists, virologists, immunologists, microbiologists, Toxicologists, pathologists, epidemiologists, specialists, researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

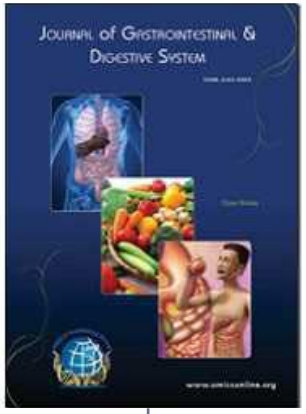

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

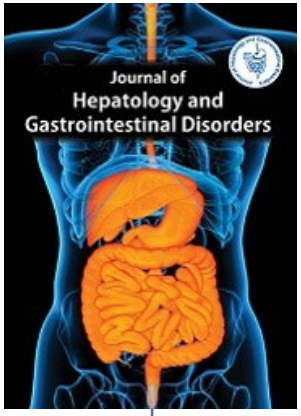

- Advances in Gastrointestinal Oncology
- Advances in GERD Treatment
- Hepatitis C Therapeutics
- Innovations in IBD Management
- Liver Cirrhosis: New Therapies
- NAFLD and NASH Treatments
- Emerging Therapies for Crohn's
- Hepatocellular Carcinoma: Latest Approaches
- Esophageal Disorders: Current Treatments
- Pancreatitis: Modern Therapeutic Strategies
- New Approaches to Peptic Ulcer Disease
- Therapeutics for Biliary Diseases
- Celiac Disease: Latest Treatment Options
- Viral Hepatitis: New Treatment Paradigms
- Gastrointestinal Stromal Tumors: Novel Therapies
- Alcoholic Liver Disease: Emerging Treatments
- Barrett's Esophagus: Current Therapeutics
- Microbiome and Gastrointestinal Health

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT BARCELONA

Barcelona, located in northeastern Spain along the Mediterranean coast, is the capital of the autonomous region of Catalonia. It is one of Europe's most vibrant and unique cities, known for its rich history, stunning architecture, and lively culture. With a population of over 1.6 million, Barcelona is the second-largest city in Spain and a major economic, cultural, and tourist hub. One of the most striking features of Barcelona is its architecture, especially the works of Antoni Gaudí. His influence can be seen throughout the city, with the iconic Sagrada Família basilica as the most famous landmark. Other Gaudí masterpieces include Park Güell, Casa Batlló, and La Pedrera, all of which showcase his imaginative style and bold use of color and form. The city's historic heart is found in the Gothic Quarter, a maze of narrow medieval streets filled with centuries-old buildings, Roman walls, and hidden squares. Nearby, neighborhoods like El Born and Raval offer a more modern and artistic feel, filled with galleries, cafes, and street art. Barcelona's blend of old and new gives it a special charm that appeals to all kinds of visitors.

Barcelona is also a coastal city, offering several beautiful beaches such as Barceloneta and Nova Icaria. The warm Mediterranean climate makes it ideal for swimming, sunbathing, or enjoying a seaside meal almost year-round. The city's waterfront promenade is popular for walking, cycling, and enjoying the ocean views. Culturally, Barcelona is a powerhouse. It is home to renowned museums such as the Picasso Museum and the Joan Miró Foundation. The local cuisine is another highlight, with Catalan dishes like pa amb tomàquet, seafood paella, and a wide variety of tapas served in restaurants and lively markets like La Boqueria. Sports, especially football, are an essential part of life in Barcelona. The city is home to FC Barcelona, one of the world's most successful and popular football clubs. Their stadium, Camp Nou, attracts millions of fans each year and plays a big role in the city's identity and pride.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
gastroenterology@asiameets.com

Academic

Only Registration: € 699
Package A (Registration + 2 nights' Accommodation): € 1249
Package B (Registration + 3 nights' Accommodation): € 1349

Business

Only Registration: € 749
Package A (Registration + 2 nights' Accommodation): € 1399
Package B (Registration + 3 nights' Accommodation): € 1449

Student

Student Delegate: € 499
Young Researcher Forum: € 399

Important Dates

Abstract submission opens: August 1, 2025
Registration opens: August 1, 2025
On spot registration: April 20, 2026

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access
