Our Programme

Our programme aims to bridge the gap between basic and translational science, with an emphasis on large-scale approaches and innovative technologies in the fields of Nursing and Healthcare Practices, Informatics in Nursing, Family medicine and Primary care, Alternative Medicine: Treatment and Therapy Method and many more.

We foster discussion and debate of the innovations by maximizing interactions, collaborations and networking opportunities for researchers and clinicians from academia, industry, and healthcare professionals.

Venue & Hospitality

Abu Dhabi is the capital and second most populous city of the United Arab Emirates (UAE). Which is the federal capital and Centre of government in the United Arab Emirates? It is extremely well known for its warm hospitality, rich cultural heritage, ultramodern architecture, luxury shopping and the Emirati people are welcoming and lavish in their approach to visitors. Currently Abu Dhabi is the country's Centre of political and industrial activities, and a major cultural and commercial Centre, due to its position as the capital.

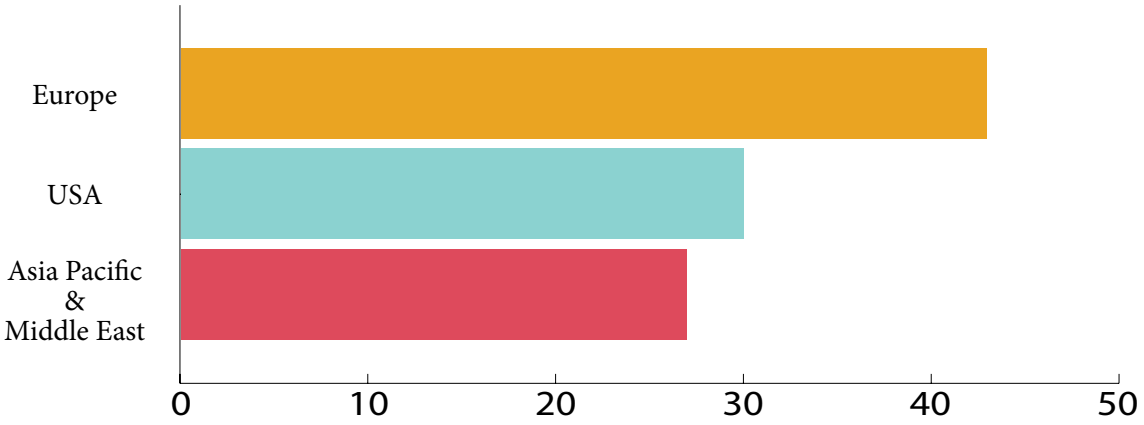

Its focus on oil exports and commerce is reflected by the skyline's modern towers and shopping mega centres such as Abu Dhabi and Marina malls has transformed by the city into a large and advanced metropolis. Abu Dhabi has a reputation for the effectively facilitating world class business occasions, thanks to some degree to the soul of participation which exists between the administration, business and neighbourhood groups. Home to more than 200 nationalities, Abu Dhabi invites people of all foundations and beliefs. It offers a casual, charming and cosmopolitan way of the life, a sheltered and secure condition with a negligible wrongdoing, excellent settlement and an assorted scope of recreation exercises.
