Dear Attendees,

We are glad to announce the **International Conference on World Heart Care** to be held as a Paris, France during **November 07-08, 2022** organized by Conference Series llc LTD, Europe in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. World Heart-2022 is centered with the theme “Current Innovations for a stimulating heart growth”.

World Heart-2022 is the gathering of Chemistry Scientists, Chemistry Researchers, science, Clinicians, Organic, Health Care Professionals, Speakers, Professors, Business delegates and Students all over the world to participate to discover the new novel medicinal Drugs, where people can get desired knowledge over future challenges in varied sorts of Cardiology. We are glad to invite you at **World Heart-2022** where you can experience a really sumptuous information and knowledge in the field of Organic Chemistry.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and live interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the **World Heart-2022** to network with your peers, exchange expertise and experiences and arm yourself with the latest information to take your field to the next level.

We look forward to personally welcoming you to Paris this November.

Sincerely

World Heart-2022

About Us

About Conference

World Heart-2022 welcomes you to attend CPD accredited “International Conference on World Heart Care” on November 07-08, 2022 Paris, France with an innovative theme “Current Innovations for a stimulating heart growth”. This International conference World Heart-2022 anticipates hundreds of delegates including keynote speakers, Oral presentations by renowned speakers and poster presentations by students besides delegates around the world. This conference perhaps a giant event that creates an ideal platform to share expertise addressing current methodologies and techniques involved in Organic Chemistry. It will be a wonderful opportunity for all the attendees as it provides an international networking opportunity to collaborate global class Organic associations

World Heart-2022 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, World Heart Care
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Special Issues : All accepted abstracts will be published inrespective Conference Series llc LTD Journals
Each abstract will be provided with digital Object Identifier by Crossref

World Heart-2022

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Nursing and Healthcare present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address Impact of Challenges for World Heart.

Objectives

After participating in this meeting, attendees should be able to

- Challenges for World Heart
- Discuss emerging issues in about World Heart
- Discuss and apply recent research findings related to World Heart

Who Should Attend?

International Conference on World Heart and Drug Discovery. The two day event on World Heart Care will host 60+ Scientific and technical sessions and sub-sessions on cutting edge research and latest research innovations in the field of Cardiology and Neurology & its related issues. This year will comprises of 17 major sessions designed to offer comprehensive sessions that address current issues in various fields of World Heart and World Heart Care. The attendees can find- Exclusive Sessions and Panel discussions on Impact of COVID-19 Challenges for World Heart Care. By participating in the conference, attendees will be able to get desired knowledge over future challenges in varied sorts of Cardiology and Neurology. World Heart-2022 provides an opportunity to meet Experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as Presented at World Heart-2022.
