About Zürich

It was always an amazing idea to have a trip to Zürich, Switzerland

Zurich, largest city of Switzerland. Zurich is Switzerland's centre of financial life and education. Located in the heart of Europe, the city offers all the modern comforts of a cosmopolitan metropolis, without sacrificing its natural side. Zurich has ranked for years among the world's top cities in terms of quality of life. It is a boutique city that offers everything that indicates, albeit in small & exquisite format.

Zurich was already a rich centre of commerce in the Early Middle Ages. The 1519 Reformation gave the economy such an improvement that the city rapidly became Switzerland's financial centre. This has continued unchanged to the present day & is why you'll find the Swiss National Bank in Zurich along with the world-famous Bahnhofstrasse, one of the most luxurious shopping strips around.

Culturally exciting, efficiently run & attractively set at the meeting of river and lake, Zürich is regularly recognised as one of the world's most liveable cities. Long known as a knowledgeble, hard-working financial centre, Switzerland's largest & wealthiest metropolis has also emerged in the 21st century as one of Central Europe's hippest destinations, with an artsy, post-industrial edge that is epitomised in its cheerful summer Street Parade.

It's Switzerland's largest city but visitors to Zurich might just find it picturesque and quiet enough to forget they're in one of the world's leading financial hub. Here are a few highlights to discover nestled within the picturesque Alpine landscape.
