ABOUT THE CONFERENCE

The 15th World Heart Congress, scheduled for October 20–21, 2026, in London, UK, is a prestigious international gathering dedicated to advancing innovation, research, and clinical excellence in cardiovascular science and medicine.

This distinguished congress will bring together leading cardiologists, cardiovascular researchers, cardiac surgeons, healthcare professionals, academicians, industry experts, and students from across the globe to exchange knowledge, discuss emerging technologies, and explore evidence-based approaches for the prevention, diagnosis, and treatment of cardiovascular diseases.

Through keynote lectures, scientific sessions, workshops, and panel discussions, participants will gain valuable insights into current challenges and transformative advancements shaping the future of cardiovascular healthcare.

THEME — *Revolutionizing Cardiovascular Medicine: Advancing Prevention, Precision, and Personalized Care.*

WHY ATTEND THE CONFERENCE?

- Explore the latest advancements, innovations, and research in cardiovascular science and medicine.
- Learn from renowned cardiologists, cardiovascular researchers, cardiac surgeons, and healthcare professionals.
- Gain insights into emerging technologies, precision medicine, and advanced strategies for the prevention and management of cardiovascular diseases.
- Present your research findings and exchange innovative ideas with an international scientific community.
- Network with global experts, academicians, clinicians, and industry leaders in the field of cardiology.
- Participate in engaging keynote sessions, scientific presentations, workshops, and expert panel discussions.
- Expand professional collaborations and discover new opportunities in cardiovascular research and clinical practice.
- Experience scientific excellence and international networking in the vibrant city of London.

Join us for a remarkable global gathering dedicated to transforming cardiovascular healthcare through innovation, collaboration, and scientific excellence. The congress offers an exceptional opportunity to connect with leading experts, share groundbreaking discoveries, and contribute to the future of cardiovascular medicine.
